

Northwestern Medicine Behavioral Health Services in Greater DeKalb County

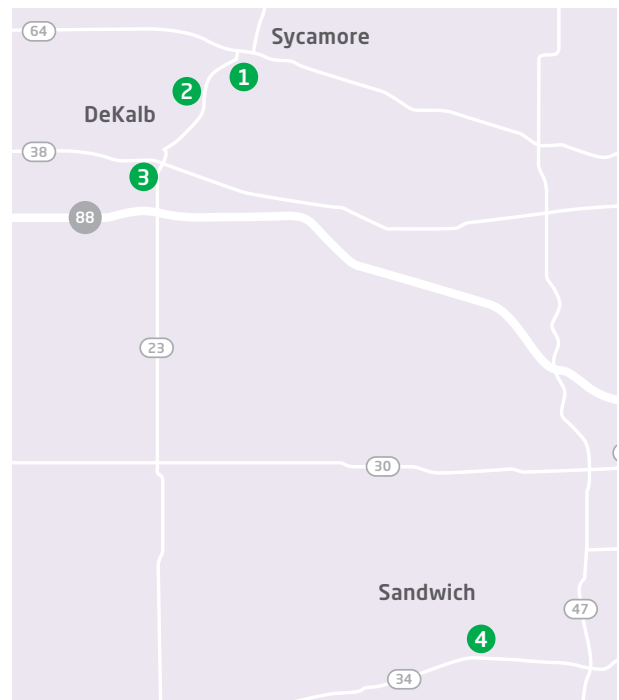

If you or someone you know has a behavioral health condition, Northwestern Medicine can help. We offer comprehensive care for individuals and families across greater DeKalb County.

Our outpatient programs deliver personalized, evidence-based care to help individuals with psychological, emotional and social difficulties. The clinical team has expertise in many areas of behavioral health, including depression, anxiety disorders, bipolar disorder, addiction and substance use disorders, as well as addictions paired with psychiatric disorders.

With compassion, respect, privacy and understanding, we care for people with even the most complex issues.

Help is available 24 hours a day, seven days a week. If you are in distress and need immediate assistance, our Behavioral Health hotline is available 24/7 at 866.242.0111.

For emergencies, please dial 911 or visit the nearest emergency department.
