

MOVIPREP **BOWEL PREPARATION**

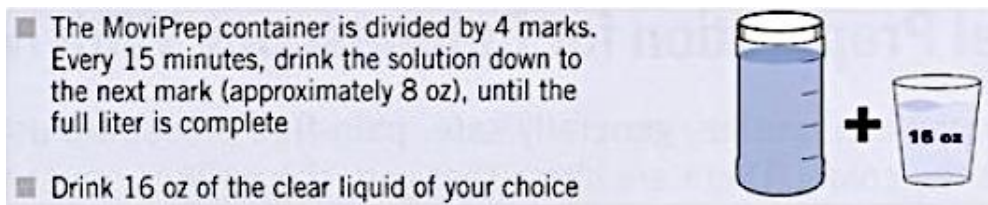

DO NOT FOLLOW THE PREP INSTRUCTIONS ON THE PRODUCT'S BOX OR THAT THE PHARMACY PROVIDES. YOU MUST FOLLOW OUR PREP INSTRUCTIONS AS WRITTEN IN THIS DOCUMENT.

1. The **morning of the day before your procedure**, prepare the solution as instructed below and refrigerate.

Refrigerate after solution has dissolved.

2. Drink it as instructed below beginning at **5:00 pm on the day before your procedure**.

Be sure to drink the additional 16oz of clear fluids as instructed.

3. After you have finished drinking the first container, prepare the second container in the same way instructed above, and refrigerate.
4. Drink the second container and additional water as instructed above beginning **6 hours prior to your arrival time**.
