LEAVE A LEGACY OF HEALING

A planned gift lets you create a lasting legacy. And it helps Northwestern Medicine continue to deliver exceptional care and conduct pioneering research well into the future.

Popular planned gifts include making a bequest in a will or trust or a beneficiary designation on a bank or stock account, individual retirement account (IRA), life insurance policy or donor-advised fund.

Gifts can be restricted to support your area of interest, such as a specific program or Northwestern Medicine facility.

- ☐ I would like to discuss options for including Northwestern Medicine in my will or estate plans.
- ☐ Send me details about tax benefits and fixed income for life in exchange for a gift of cash, stock, IRA assets, etc.
- ☐ I have already included Northwestern Medicine in my will/estate plans.

Our planned giving staff works with passionate supporters like you to create a legacy gift plan that meets your needs for flexibility and tax benefits while fulfilling your charitable giving goals. Additionally, we can provide the appropriate language that your advisor can use so that your wishes are met when the time comes.

Please contact our planned giving staff at **312.926.0778** or giftplanning@nm.org.
