

West Region Outpatient Infusion

CARING FOR YOU CLOSER TO HOME

**NORTHWESTERN MEDICINE SERVICES AT
CENTRAL DUPAGE HOSPITAL AND DELNOR HOSPITAL**

DO YOU LIVE IN CHICAGO'S WESTERN SUBURBS?

IF SO, NORTHWESTERN MEDICINE IS NOW CLOSER TO HOME.

Northwestern Medicine Central DuPage Hospital (Winfield, IL) and Northwestern Medicine Delnor Hospital (Geneva, IL) offer NM patients the convenience of care closer to home.

WHAT STEPS CAN I TAKE TO RECEIVE MY TREATMENTS AT CDH OR DELNOR?

1. Talk with your NM physician to determine if this choice is right for you
2. **Validate that the desired hospital is in-network for your insurance plan**
3. After a physician order is placed, simply call our friendly staff to schedule an appointment:

**Central DuPage Hospital –
Physician Treatment Center
630.933.6272**

**Delnor Hospital –
Outpatient Infusion Center
630.208.4446**

NORTHWESTERN MEDICINE WEST REGION OUTPATIENT INFUSION SERVICES

When you need IV fluids, antibiotics, blood transfusions or another type of IV treatment, Central DuPage Hospital and Delnor Hospital offer safe, convenient, and relaxing outpatient services close to your home. You'll benefit from:

- Registered nurses, specially trained in infusion therapy, including many with advanced certifications in IV therapy
- Extended hours to fit your schedule
- Comfortable private rooms with a TV
