

McHenry Western Lake County EMS System

Newsletter Continuing Education Program

In this issue:

- What is the news program
- How does it work
- How do I earn credit
- What do I need to do

The purpose of the newsletter is to provide monthly quick refreshers to present disease, treatments, procedures, or medications based on McHenry SMO/SOPs. This program will be offered in addition to monthly lectures as well as online self-study packets

Earn Continuing Education

Each month a different newsletter will be posted on the Systems website. Read the newsletter and complete the assessment. Submit them monthly to Cindy Tabert to earn 0.5 Hours of continuing education.

Q. What do I need to do?

A. Print each newsletter, read through it, and answer the questions. Save them and complete each new monthly newsletter.

Q. How do I earn hours?

A. Each month, submit the completed newsletter to the EMS Office for 0.5 hours of credit.
