I. PURPOSE:

To define Northwestern Memorial HealthCare’s policy related to the provision of Financial Assistance to those with inadequate financial resources.

II. POLICY STATEMENT:

A. Northwestern Memorial HealthCare and its Affiliates (collectively referred to herein as “NMHC”), are committed to meeting the health care needs of members of NMHC’s community who are unable to pay for Medically Necessary care received at NMHC Affiliates, including without limitation those who are uninsured, underinsured, ineligible for a government program, or otherwise unable to make payment. Allocation and prioritization of Financial Assistance will take into consideration the many needs of the community, NMHC’s mission as an academic medical center, its financial protocols for allocation of resources, and applicable law and regulation. Notwithstanding the foregoing, NMHC will provide, without discrimination, care for Emergency Medical Conditions to individuals regardless of their eligibility for Financial Assistance under this policy.

B. Financial Assistance is available through multiple programs (collectively, “Financial Assistance Program” or “Program”) including the following:

1. Insured Patient Free And Discounted Care (set forth on Appendix B)
2. Uninsured Patient Free And Discounted Care Program (set forth on Appendix C)
3. Presumptive Eligibility (set forth in Appendix D)
4. Future programs approved by the Vice President, Revenue Cycle, which shall be included as appendices.
III. **PERSONS AFFECTED:**

This policy applies to all levels of NMHC management and staff of those entities listed on Appendix A-2 who are involved in the allocation and prioritization of resources to meet the needs of the community. This policy does not apply to physicians who are on staff at an NMHC Hospital Affiliate but who are not otherwise employed by or contracted with an NMHC Physician Affiliate. This policy applies to each Affiliate as an independent entity, and unless otherwise provided herein, each Affiliate shall separately meet the requirements of this policy. A list of health care providers delivering Emergency or other Medically Necessary Care at each Affiliate and whether or not such health care providers are covered by this policy shall be maintained separately by the Financial Counseling Department and shall be incorporated by reference herein as Appendix G.

IV. **RESPONSIBILITIES:**

A. NMHC’s Financial Counseling Department is responsible for assisting Applicants applying for Financial Assistance prior to or during the course of treatment.

B. Areas within NMHC handling billing inquiry, customer service, and self-pay follow-up shall assist Applicants after services have been provided.

C. The Revenue Cycle Division, including the department and areas listed in Sections IV.A. and IV.B. above, is responsible for the approval of Financial Assistance Applications and obtaining all supporting documentation.

D. The Revenue Cycle Division is responsible for developing the basis for calculating the amounts charged to Patients and explaining such calculation upon request.

V. **DEFINITIONS:**

Capitalized terms not otherwise defined herein are defined in Appendix A.

VI. **NOTIFICATION:**

To make Patients, Guarantors, their families and the broader community aware of NMHC’s Financial Assistance Program, NMHC Hospital Affiliates shall take steps to notify visitors to its facilities of this policy and to widely publicize this policy. Specific notification measures shall be in accordance with applicable law and shall be set forth in specificity in Appendix E.

VII. **DETERMINATION OF ELIGIBILITY:**

A. **When Eligibility is Determined:** The determination of an Applicant’s eligibility for Financial Assistance should be made as early as possible. In cases where the Patient is seeking services other than Emergency Services, determination shall be made prior to the scheduling and/or rendering of services, whenever possible.

B. **Application Requirement:** Unless eligibility has been previously determined or unless otherwise provided within this policy, the Patient or Guarantor is required to complete an Application for Financial Assistance and provide supporting documentation, which provides, in accordance with law, information about the Applicant’s financial position (including, as applicable, information about the Applicant’s family) and other information which is necessary in making a determination of eligibility for Financial Assistance. Time frames for submission of an Application and other Application-related time frames shall be in accordance with applicable law and set forth on Appendix E. The Application shall be available on a form provided by NMHC and consistent with the provisions of the Illinois Hospital Uninsured Patient Discount Act and other applicable law. Unless otherwise provided herein or in an appendix, Applications will only be accepted from individuals who have had a previously existing relationship with NMHC during the last 12 months or an upcoming appointment or
admission. Patients shall complete one (1) Application which shall be recognized by all NMHC Affiliates.

C. **Length of Approval:**

1. Once approved, NMHC shall provide Financial Assistance until such time that alternative sources of payment may be secured. Applicants are expected to cooperate in applying and securing alternate sources of payment when applicable. Accordingly, eligibility determinations shall be valid until commencement of the next enrollment period whereby the Applicant may obtain insurance coverage. Notwithstanding the foregoing, the following limitations apply:
   a. Financial Assistance for Emergency Services may be limited to the Emergency Services and any related stabilization care;
   b. Financial Assistance for NMHC Hospital Affiliate services may be approved on an episodic basis and such approval may be subject to additional program requirements and screening procedures set forth in Section IX;
   c. Eligibility determinations shall not extend beyond 12 months.

2. Applicants shall be required to promptly advise NMHC of changes in their financial situation which may affect their eligibility during a previously approved period. An Applicant’s failure to notify NMHC within 30 days of changes in their financial situation may affect the Applicant’s ability to continue to receive Free or Discounted Care or qualify for Financial Assistance in the future.

3. NMHC’s Financial Assistance Policy Committee shall determine the length of time that an eligibility determination based upon alternative methods of qualification (see Section VII.D below) shall be valid; provided, however, that the length of time shall not exceed twelve (12) months.

4. If a Patient’s eligibility terminates during a course of treatment and the treating provider confirms that transitioning care would be detrimental to the Patient, the Patient and/or the treating provider may request an exception which shall be evaluated by the Free Care Committee, subject to approval by the NMHC Medical Director or his or her designee and the Vice President, Revenue Cycle, pursuant to Section XV of this policy.

D. **Alternative Methods of Qualification:** NMHC (or its agent), at its discretion, may assess a Patient’s or Guarantor’s Financial Assistance eligibility by means other than a completed Application. In such instances, eligibility determinations may include the use of information provided by credit reporting agencies, public records, or other objective and reasonably accurate means of assessing a Patient’s or Guarantor’s Program eligibility.

E. **Withholding of Information:** If at any time during the review process it becomes apparent that the Applicant has intentionally withheld relevant information, provided false information, or provided inaccurate information, as evidenced by information obtained through credit agencies or other available sources, and the Applicant is unable to resolve discrepancies to the satisfaction of NMHC, the Applicant may be disqualified for Financial Assistance, which shall result in the resumption of routine collection efforts until such discrepancies are resolved. Notwithstanding the foregoing, NMHC shall not deny Financial Assistance based on information that it has reason to believe is unreliable or incorrect or on information obtained from the Applicant under duress or through the use of coercive practices (including delaying or denying care for Emergency Medical Conditions to an individual until the individual has provided the requested information).
VIII. **QUALIFYING SERVICES:**

A. NMHC Hospital Affiliates shall provide Financial Assistance only for Medically Necessary services for which the Applicant meets clinical program criteria and is otherwise financially responsible.

B. Financial Assistance for transplants and transplant-related services are determined pursuant to a separate process and may be included as an appendix to this policy.

C. Nothing in this policy requires NMHC to provide services not routinely provided to Patients.

IX. **ADDITIONAL PROGRAM REQUIREMENTS AND SCREENING PROCEDURES:**

Financial Assistance for certain procedures may be subject to additional program requirements and/or screening procedures. Additional screening requirements shall be communicated to Patients and physicians. By way of example and without limitation, such requirements and screening procedures may include the following:

A. Reexamining a Patient’s current financial situation to ensure continued eligibility for Financial Assistance, including availability of insurance coverage;

B. Securing payment arrangements with respect to outstanding amounts owed by the Patient or otherwise establishing a payment plan; or

C. Evaluating selected procedures to ensure that other treatment methods have been exhausted or, if previously tried, the likelihood of success, and/or that after-care resources are put in place; or

D. Securing services from an appropriate level or type of provider.

X. **EXHAUSTION OF THIRD PARTY SOURCES:**

A. Financial Assistance will only be applied to self-pay balances, after all third-party benefits/resources are reasonably exhausted, including, but not limited to, benefits from insurance carriers (e.g., health, home, auto liability, worker’s compensation, or employer funded health reimbursement accounts), government programs (e.g., Medicare, Medicaid or other federal, state, or local programs), or proceeds from litigation, settlements, and/or private fundraising efforts (collectively, “Third-Party Funding Sources”). Patients receiving Financial Assistance and who require Medically Necessary care (other than Emergency Services) must, whenever possible, be screened for eligibility for Medicaid, Health Insurance Exchange, or other available payment programs and, if found eligible, the Patient must fully cooperate with enrollment requirements prior to the procedure being scheduled and/or services being rendered. Eligible Patients who fail or refuse to enroll in available Medicaid, Health Insurance Exchange, or other available payment programs may be ineligible for Financial Assistance. Patients should be given at least one (1) written notice of the necessity of filing for Medicaid, Health Insurance Exchange, or other available payment programs and that failure to do so may jeopardize eligibility for Financial Assistance. Efforts, if any, to assist the Applicant to enroll in Medicaid, Health Insurance Exchange, or other available payment programs shall be documented.

B. If a Patient seeking care other than Emergency Services is covered by an HMO or PPO and NMHC is not an in-network provider, then the Patient should be directed to seek care from his participating providers and shall not be eligible for Financial Assistance. Financial Assistance is not available for out-of-network costs.
XI. LIMITATION ON CHARGES:
Discounts may vary between Financial Assistance Programs. Calculation of discounts shall be set forth in the various appendices to this policy. However, in all Financial Assistance Programs, amounts charged by NMHC Hospital Affiliates for care for Emergency Medical Conditions or other Medically Necessary care provided to individuals eligible for the Financial Assistance Program with annual household income less than or equal to 600% of the applicable Federal Poverty Level shall not be more than the amounts generally billed to individuals who have insurance covering such care ("Amounts Generally Billed Discount").

XII. EMERGENCY MEDICAL CARE:
A. Consistent with the NMHC policy addressing compliance with the Emergency Medical Treatment and Labor Act, NMHC Hospital Affiliates shall provide, without discrimination, care for Emergency Medical Conditions to individuals regardless of whether they can pay for the care or are eligible for Financial Assistance.
B. NMHC Hospital Affiliates shall not engage in actions that discourage individuals from seeking care for Emergency Medical Conditions, including but not limited to the following:
   1. Requiring payment from that Emergency Department Patients before receiving a medical screening or treatment for Emergency Medical Conditions; or
   2. Permitting debt collection activities in the Emergency Department or in other areas of an NMHC Hospital Affiliate where such activities could interfere with the provision, without discrimination, of care for Emergency Medical Conditions.

XIII. REFUNDS:
Application of Financial Assistance shall be applied to all open balances. Refunds shall be reviewed by NMHC’s Free Care Committee and provided as required by law.

XIV. COORDINATION OF AFFILIATE DETERMINATIONS:
NMHC Affiliates shall coordinate their efforts in the mutual determination of eligibility.

XV. EXCEPTIONS AND APPEALS:
NMHC physicians and/or clinicians may request Financial Assistance on behalf of a Patient; however, the Patient must provide the necessary information and documentation to support the request. If the physician or Patient does not agree with the eligibility or program determination or if the physician or Patient is requesting an exception to this policy, an appeal or request for exception should be made to the Free Care Committee for evaluation, subject to approval by the Vice President, Revenue Cycle. This determination shall be final and binding until such time that the Patient or physician provides significant new or additional information demonstrating qualification for assistance (e.g., change in income, loss of employment, and other circumstances that substantially change the prior review).

XVI. ACTIONS FOR NON-PAYMENT:
The NMHC Credit and Collection Policy describes the actions that may be taken for non-payment of amounts due. Members of the general public may obtain a free copy of the NMHC Credit and Collection Policy by contacting the Financial Counseling Department.
XVII. **APPLICABILITY TO EXISTING PROGRAMS:**

Financial Assistance awarded to patients prior to the effective date of this policy shall not be reduced but only through such time period indicated in the award. Upon expiration of such Financial Assistance, this policy shall apply.

XVIII. **POLICY UPDATE SCHEDULE:**

This policy will be reviewed and updated at a minimum of every five years or on an as needed basis.

XIX. **REPORTING:**

NMHC shall report all required information regarding the Financial Assistance Program to the appropriate governmental agencies.

XX. **MONITORING AND NON-SUBSTANTIVE UPDATES:**

A. The Financial Assistance Policy Committee shall be responsible for the on-going monitoring of this policy. It shall review practices hereunder including whether:
   1. controls are in place to assess Patient eligibility;
   2. information on Patients eligible for and/or receiving Financial Assistance status is tracked and maintained;
   3. the existence of Financial Assistance is communicated to the community and its Patients;
   4. provisions are in place so as not to discourage community members from seeking care for Emergency Medical Conditions; and
   5. collection actions are appropriately taken against Patients receiving Financial Assistance.

B. The Vice President, Revenue Cycle may make non-substantive updates to this policy (e.g., to reflect current Federal Poverty Guidelines, changes in addresses, etc.).

APPENDIX A: DEFINITIONS

Affiliates: Those entities controlled by, controlling, or under common control with NMHC. NMHC Affiliates to which this policy applies are listed on Appendix A-2. For purposes of this policy, the term “Affiliates” does not include NMHC affiliates that are legally or otherwise restricted from adopting this policy.

Amounts Generally Billed/Amounts Generally Billed Discount: The discount required to ensure that charges for care for Emergency Medical Conditions or other Medically Necessary care provided by an NMHC Hospital Affiliate during an outpatient visit or inpatient stay to individuals eligible for assistance under this policy are not more than amounts generally billed to individuals who have Medicare or commercial insurance covering such care (“Amounts Generally Billed”). Calculation of the Amount Generally Billed Discount shall be in accordance with law based on the look-back method. Each NMHC Hospital Affiliate shall calculate its own Amounts Generally Billed Discount. A written explanation of the method used at each NMHC Hospital Affiliate can be obtained by contacting the NMHC Financial Counseling Department. Physician Affiliates shall apply the Amounts Generally Billed Discount applicable to NMH.

Applicant: An Applicant is the person submitting an Application for Financial Assistance, including the Patient and/or the Patient’s Guarantor.

Application Period: The period during which an NMHC Hospital Affiliate must accept and process an Application submitted by an individual in order to have made reasonable efforts to determine whether the individual is eligible for Financial Assistance. With respect to any care provided by an NMHC Hospital Affiliate to an individual, the Application Period begins on the date the care is provided to the individual and ends on the 240th day after the date the NMHC Hospital Affiliate provides (i.e. mails, sends electronically, or delivers by hand) the individual with the first post-discharge billing statement for the care.

Billed Charge(s): The fee for a service that is based on the NMHC Affiliate’s master charge schedule in effect at the time of the service and that the Affiliate consistently and uniformly charges patients before applying any contractual allowances, discounts, or deductions.

Cost-of-Care Discount: The discount equal to that amount calculated by multiplying the total cost-to-charge ratio from each NMHC Affiliate Hospital’s Medicare cost report to the charges on accounts identified as qualifying for Financial Assistance. Notwithstanding the foregoing, NMHC may, for administrative ease, establish a single Cost-of-Care Discount that is most advantageous to the Patient. The Cost-of-Care Discount shall be equal to or greater than the Amount Generally Billed Discount.

Discounted Care: Care provided at less than Billed Charges other than Free Care. Discounts include the Cost-of-Care Discount and the Amount Generally Billed Discount.

Emergency Medical Condition: Emergency Medical Condition shall be as defined in section 1867 of the Social Security Act (42 U.S.C. 1395dd).

Emergency Services: Emergency Services include services received through the Emergency Department for Emergency Medical Conditions, services that are Never-Say-No services, or other services identified by the Vice President, Revenue Cycle and set forth in an appendix to this policy from time to time.

Extraordinary Collection Action(s) ECA(s): Those actions that an NMHC Hospital Affiliate may take against an individual related to obtaining payment of a bill for care covered under the Financial Assistance Program. Such ECAs are further defined in the NMHC Financial Policy: Credit and Collection and may
include, by way of example, requiring payment for previously-rendered care and/or placing a lien on one’s property.

**Family Size:** The number of individuals listed under “Filing Status” on the Applicant’s most recent tax return. If no tax return is available, Family Size shall be the number of individuals residing in the Applicant’s household. If another individual claims the Applicant as a dependent on the individual’s tax return, then the Family Size may include household members of the individual claiming dependency.

**Federal Poverty Guideline(s):** The Federal Poverty Guidelines updated periodically in the Federal Register by the United States Department of Health and Human Services under authority of 42 USC 9902(2). The Guidelines, attached as Appendix A-I, shall be adjusted annually within thirty (30) days following the issuance of new Federal Poverty Guidelines in the Federal Register and on the U.S. Department of Health and Human Services website.

**Financial Assistance:** Amounts attributable to Free Care or Discounted Care provided to Patients who meet NMHC’s criteria for Financial Assistance under various programs (collectively, “Financial Assistance Program” or “Program”) and are unable to pay for all or a portion of their health care services. Financial Assistance does not include bad debt or uncollectible charges that have been recorded as revenue but written off due to a Patient’s failure to pay; the difference between the cost of care provided under Medicaid or other means-tested government programs or under Medicare and the revenue derived from those programs; or contractual adjustments with any third-party payors.

**Free Care Committee:** That Committee charged with addressing questions regarding application of this policy to specific Patient issues. The Free Care Committee shall review appeals and exceptions made to the policy.

**Free Care:** A discount from Billed Charges equal to one hundred percent (100%).

**Financial Assistance Policy Committee:** That committee comprised of representatives from NMHC Affiliates and NMHC, which makes recommendations with respect to this policy and ensures operational alignment between Affiliates in implementing this policy. The Financial Assistance Committee shall include representatives from operations, the Office of General Counsel, the Internal Audit Department, the Office of Corporate Compliance and Integrity, and External Affairs. The Financial Assistance Committee shall report its activities to the Tax and Regulatory Committee.

**Guarantor:** The individual who is financially responsible for services rendered to the Patient.

**Household Income:** Income attributable to the Applicant’s household based on definitions used by the U.S. Bureau of the Census. Household Income includes all pre-tax earnings, unemployment compensation, workers’ compensation, Social Security, Supplemental Security Income, public assistance payments, veterans’ payments, survivor benefits, pension or retirement income, interest, dividends, rents, royalties, income from estates, trusts, educational assistance, alimony, assistance from outside the household, and other miscellaneous sources. Non-cash benefits (such as SNAP and housing subsidies) are not considered Household Income. More specifically, Household Income is equal to the adjusted gross income listed on the Applicant’s most recent tax return, adjusted to subtract child support payments and to add amounts of tax-exempt interest; non-taxable pension and annuity payments, IRA distributions, and Social Security; and other income not included in adjusted gross income but available to Applicant. However, if the Applicant indicates that the adjusted gross income listed on the Applicant’s most recent tax return is not accurate (e.g., the Applicant is no longer employed or is being paid a different amount), the Household Income shall be calculated on the basis of other available documentation (e.g., pay stubs, unemployment statements, etc.), once again adjusted to remove child support payments and to include tax-exempt interest; non-taxable pension and annuity payments, IRA distributions, and Social Security; and other income available to Applicant. Household Income includes the income of all members of the household.
Illinois Resident: An Illinois Resident is a Patient who lives in Illinois and who intends to remain living in Illinois indefinitely. Relocation to Illinois for the sole purpose of receiving health care benefits does not satisfy the residency requirement under the Illinois Hospital Uninsured Patient Discount Act (“HUPDA”). HUPDA requires that the Uninsured Patient be a resident of Illinois, but does not require that the Patient be legally residing in the United States. Patients may be required to provide evidence of Illinois residency as provided for under HUPDA. Relocation to Illinois for the sole purpose of receiving health care benefits does not satisfy the residency requirement under this definition.

Insured Patient: A Patient covered under a policy of health insurance or a beneficiary under public or private health insurance, health benefit, or other health coverage program, including high deductible health insurance plans, worker’s compensation, accident liability insurance, or other third-party liability.

Medically Necessary: Any inpatient or outpatient health care service, including pharmaceuticals or supplies, covered under Title XVIII of the federal Social Security Act for beneficiaries with the same clinical presentation as the Patient. A “Medically Necessary” service does not include any of the following: (1) non-medical services such as social and vocational services; or (2) elective cosmetic surgery, but not plastic surgery designed to correct disfigurement caused by injury, illness or congenital defect or deformity.

Never-Say-No: Services meeting NMHC’s Never-Say-No criteria as may be amended from time-to-time.

NMHC Hospital Affiliate(s): NMHC affiliates licensed as a hospital. NMHC Hospital Affiliates to which this policy applies are listed on Appendix A-2.

NMHC Physician Affiliate(s): NMHC affiliates providing clinical care in a physician outpatient setting. NMHC Physician Affiliates to which this policy applies are listed on Appendix A-2.

Non-Resident: A Non-Resident is a Patient who is not an Illinois Resident.

Patient: The individual receiving services.

Plain Language Summary: A clear, concise, and easy-to-understand written statement that notifies an individual that an NMHC Hospital Affiliate offers Financial Assistance and provides the following information: (i) brief description of the eligibility requirements and assistance offered under this policy; (ii) a brief summary of how to apply for assistance under this policy; (iii) a direct listing of a website address (or URL) and physical locations (including room numbers) where a copy of this policy and Financial Assistance Applications may be obtained; (iv) instructions on how to obtain a free copy of the Financial Assistance Policy and Application by mail; (v) contact information (including telephone numbers and physical location, if applicable) of offices or departments who can provide an individual with assistance with the Application process; (vi) availability of translations; and (vii) a statement that no Financial Assistance-eligible Patient will be charged more than the Amounts Generally Billed.

Self-Pay Package-Priced Services: Multiple services offered together for a single price which is discounted such that the single price is less than the sum of the prices for all the individual services comprising the package of services.

Uninsured Patient: A Patient not covered under a policy of health insurance or who is not a beneficiary under public or private health insurance, health benefit, or other health coverage program, including high-deductible health insurance plans, worker’s compensation, accident liability insurance, or other third-party liability.

APPENDIX B: INSURED PATIENT FREE AND DISCOUNTED CARE

I. FREE AND DISCOUNTED CARE

NMHC provides Free Care as well as Discounted Care to Insured Patients as provided in this Appendix B.

II. SERVICES

A. Except as provided in this Appendix’s Section II.B below, Free Care and Discounted Care for Insured Patients shall be available for all Medically Necessary services.

B. Free Care and Discounted Care for Insured Patients shall not be available for the following services:

1. Non-Medically Necessary services;
2. Out-of-network services;
3. Specialty Pharmacy Services; except that hepatitis-C antiviral medications administered to hepatitis-C negative transplant recipients who receive a hepatitis-C positive donor organ at NMH may be considered under this Policy, after all reasonable efforts to secure insurance or other reimbursement for such medications have been exhausted in a timely manner. Provision of such medications must be coordinated through Northwestern Specialty Pharmacy.
4. With respect to NMHC Physician Affiliates, fertility treatment (excluding certain fertility preservation expenses); corrective vision procedures, including but not limited to, LASIK; and lab services obtained from a non-NMHC-affiliated laboratory, durable medical equipment, eye glasses, contacts, and hearing aids;
5. Patient co-insurance or deductibles unless the Applicant otherwise qualifies for Free Care;
6. Co-payments;
7. Self-Pay Package-Priced Services; and

C. Non-formulary pharmaceuticals provided upon discharge for transitional purposes shall be subject to the Cost-of-Care Discount.

III. RESIDENCY REQUIREMENTS

A. Insured Patients who are Illinois Residents and who receive Medically Necessary services are eligible for Free Care and Discounted Care. Notwithstanding the foregoing, there shall be no residency requirement for Insured Applicants receiving Emergency Services.

B. Except for Insured Patients receiving Emergency Services, Insured Patients who are Non Residents (including but not limited to out-of-state external transfers) and who receive Medically Necessary services are not eligible for Free Care.

IV. CALCULATION OF FREE AND DISCOUNTED CARE

NMHC provides Free Care and Discounted Care to eligible Insured Patients through two methods: “insured sliding fee scale assistance” and “insured catastrophic assistance.” If the Applicant qualifies under both methods, NMHC will apply the method that is most beneficial to the Applicant. Despite qualification under either method, if there is reason to believe that an Applicant may have assets in amounts in excess of 600% of the then current Federal Poverty Guideline applicable to the
Applicant’s Family Size and that are available to pay for medical services, NMHC may require the Applicant to provide information about such assets, and the Free Care Committee may consider those assets in deciding whether, and to what extent, to extend Free Care or Discounted Care.

A. **INSURED SLIDING FEE SCALE ASSISTANCE**

   Assistance under the insured sliding fee scale application is calculated as follows:

   1. **Free Care:** Insured Illinois Residents with Household Income of 250% or less of the then current Federal Poverty Guideline applicable to the Applicant’s Family Size, shall be eligible for a 100% discount. The discount shall be applied to co-insurance and deductibles, as well as Medically Necessary services not covered by insurance.

Despite qualification under either method, if there is reason to believe that an Applicant may have assets in excess of 600% of the then current Federal Poverty Guideline applicable to the Applicant’s Family Size and that are available to pay for medical services, NMHC may require the Applicant to provide information about such assets, and the Free Care Committee may consider those assets in deciding whether, and to what extent, to extend Free Care or Discounted Care.

An Uninsured Patient meeting the requirements and criteria of Sections III and IV, below, is presumed to be eligible for Free Care in accordance with this Appendix D. To the extent such eligibility information is available without Patient notice, NMHC shall use such information to apply Presumptive Eligibility. NMHC will also apply Presumptive Eligibility for NMHC services in situations where the Patient provides notice and supporting documentation after billing has commenced.

I. BILLING TIME PERIOD

Pursuant to the Illinois Fair Patient Billing Act, Patients shall be instructed to apply for Financial Assistance within sixty (60) days after discharge or the receipt of outpatient care, whichever is longer, and NMHC shall not send bills to Uninsured Patients until such sixty (60) day period has passed. While NMHC may bill Patients after the sixty (60) day period, it shall, nevertheless, process Applications received at any time during the Application Period.

II. EFFORTS REQUIRED TO DETERMINE ELIGIBILITY PRIOR TO TAKING EXTRAORDINARY COLLECTION ACTIONS

A. Need to Notify

Prior to taking any Extraordinary Collection Action (ECA), NMHC Hospital Affiliates shall make reasonable efforts to determine whether the individual is eligible for Financial Assistance by taking steps as set forth in this Appendix F. Specifically, with respect to any care provided by an NMHC Hospital Affiliate to an individual, the NMHC Hospital Affiliate shall take the following steps:

1. Notify the individual about the Financial Assistance Program as described in this Appendix F before initiating any ECAs to obtain payment for the care and refrain from initiating such ECAs (with the exception of an ECA described in paragraph Section II.C of this Appendix F) for at least 120 days from the date the NMHC Hospital Affiliate provides the first post-discharge billing statement for the care. NOTE: If multiple episodes of care are aggregated, the 120-day period starts from the first post-discharge billing statement for the most recent episode of care included in the aggregation;

2. In the case of an individual who submits an incomplete Application during the Application Period, notify the individual about how to complete the Application and give the individual a reasonable opportunity to do so as described in Section II.D of this Appendix F; and

3. In the case of an individual who submits a complete Application during the Application Period, determine whether the individual is eligible for Financial Assistance for the care as described in Section II.E of this Appendix F.

B. Notification in General

NMHC Hospital Affiliates shall notify Patients and/or Guarantors about the Financial Assistance Program generally by taking in the following steps at least 30 days before first initiating one or more ECA(s) to obtain payment for the care:

1. Provide the individual with a written notice that indicates that Financial Assistance is available for eligible individuals, identifies the ECA(s) that the NMHC Hospital Affiliate (or other authorized party) intends to initiate to obtain payment for the care, and states a deadline after which such ECA(s) may be initiated that is no earlier than 30 days after the date that the written notice is provided;
2. Provide the individual with a Plain Language Summary of the Financial Assistance Program with the written notice described above;

3. Make a reasonable effort to orally notify the individual about the Financial Assistance Program and about how the individual may obtain assistance with the Application process.

C. Deferral or Denial of Care Due to Nonpayment for Prior Care

In the case of an ECA involves deferring or denying care due to nonpayment for prior care, an NMHC Hospital Affiliate may notify the individual about the Financial Assistance Program less than 30 days before initiating the ECA, provided that the NMHC Hospital Affiliate does the following:

1. Otherwise meets the requirements of Section II.B of this Appendix F but, instead of the notice described in Section II.B, provides the individual with a an Application and a written notice indicating that Financial Assistance is available for eligible individuals and stating the deadline, if any, after which the NMHC Hospital Affiliate will no longer accept and process an Application submitted (or, if applicable, completed) by the individual for the previously provided care at issue. This deadline must be no earlier than the later of 30 days after the date that the written notice is provided or 240 days after the date that the first post-discharge billing statement for the previously provided care was provided.

2. If the individual submits an Application for the previously provided care on or before the deadline described above (or at any time if the NMHC Hospital Affiliate did not provide any such deadline to the individual), processes the Application on an expedited basis.

D. Incomplete Application

If an individual submits an incomplete Application during the Application Period, NMHC Hospital Affiliates shall:

1. Suspend any ECAs;

2. Provide the individual with written notice of what additional materials are needed to complete his or her Application. This written notice shall include a Plain Language Summary of the Financial Assistance Program and the telephone number and physical location of the NMHC Hospital Affiliate office or department that can provide information about the Financial Assistance Program and the office or department that can provide assistance with the Application process. The individual shall provide additional materials by the later of the end of the Application Period or within thirty (30) days of receipt of the notice, with exception being made for extraordinary circumstances.

E. Complete Application

If an individual submits a complete Application during the Application Period, NMHC Hospital Affiliates shall:

1. Suspend any ECAs against the individual;
2. Make and document a determination as to whether the individual is eligible for Financial Assistance;

3. Notify the individual in writing of the eligibility determination, including, if applicable, the Financial Assistance for which the individual is eligible and the basis for the determination; and

4. If the individual is eligible for Financial Assistance, NMHC Hospital Affiliates shall:

   a. provide the individual (who is determined to be eligible for Financial Assistance other than Free Care) with a billing statement that indicates the amount the individual owes as an individual eligible for Financial Assistance, how that amount was determined and states, or describes how the individual can get, information regarding the Amounts Generally Billed for the care;

   b. refund any amounts (unless under either $5.00 or such other amount that is set by notice or other guidance published in the Internal Revenue Bulletin) that the individual previously paid for the care included in the Application and in excess of the amount he or she is determined to owe as an individual eligible for Financial Assistance; and

   c. reverse any ECAs (with the exception of a sale of debt).

F. NMHC Hospital Affiliates shall document all notification requirements set forth in this Appendix F.

G. Implementation of this Appendix shall comply with 26 C.F.R. 1.501(r)-6. To the extent this Appendix F is inconsistent with 26 C.F.R. 1.501(r)-6 or to the extent 26 C.F.R. 1.501(r)-6 provides further detail on the implementation of this Appendix F, 26 C.F.R. 501(r)-6 shall govern.
