# MyNM Wait List

**Get Notified When Earlier Appointments Become Available**

After scheduling your appointment, you can join a wait list on **MyNM** to be notified if an earlier appointment becomes available with your clinician. Not all appointments have a wait list feature, so you may not have this option.

Follow these steps to join a wait list:

1. Click on **Visits** from the MyNM homepage.

2. Select **Upcoming Visits**.

3. Click **Get on the Wait List** from the Appointment Details page. Then, you will get a text or email if an earlier time opens up.
