OCTOBER 22 2018

I have been coming to Northwestern for the past 18 months. It was a time in my life I didn't have much hope to cling to. Dr. Aadam, and team never were at a loss of treatment ideas. I owe them my life back as they gave it too me.

***Dr. AADAM was very kind to me, also gave me good advise on what I should do if I have another attack with my stomach.**
