Dr. Michael B. Schapiro and his colleagues were exceptional! We are extremely grateful to them.

MARCH 3 2019

Dr. Issa was great in terms of care, explanation and manner. The only negative was that he did not shake my wife's hand, which seemed a little odd.

MARCH 6 2019

***Dr. Shapiro is a talented, kind and caring PERSON, not just doctor. He sets the standard for what personalized, medicine can be.**

She was great!

APRIL 13 2019

The doctor was very helpful, and explained everything to me clearly. This was a follow up appointment to a gallbladder surgery with pancreas problems. He answered all my questions, and gave me a clean bill of health.

MAY 19 2019

Every one on their team that I have consulted with is an awesome professional and my life was in their hands and they didn't disappoint me.

AUGUST 8 2019

Dr Swaroop is both caring and knowledgeable- I would recommend her to anyone. She really took the time to help with some of our concerns and made sure we understood her recommendations. She was compassionate and knowledgeable: and made me feel as if she truly cared about both my physical and mental well being.

OCTOBER 5 2019

The Doctor was very helpful in helping me seek assistance with an unrelated injury. I thank the Doctor

for his advice.
