AUGUST 12 2018

I'm very pleased with Dr Patel. I first saw him last November. He has grown as a provider since then. he always listens and thoughtfully determines the next steps. Hes become a great asset to the foot and ankle team.

OCTOBER 12 2018

Dr. Patel went out of his way to recommend and print off information (regarding purchases for boot lining and orthotics). That was extremely helpful to me.

OCTOBER 20 2018

Dr. Milap Patel is very professional, and educated in his field also shows that he cares for the well being of his patients care and mind set oh and he listens to his patients and does not over talk them which I appreciate so much.

I have already recommended him to a friend. I greatly appreciate his honesty in explaining why he is choosing not to do surgery for me right now. He is very caring of the final outcome for me.

AUGUST 3 2019

Dr. Patel is excellent. I had not received good care before him. He was efficient, knowledgeable and asked repeatedly if I had questions. I would highly recommend him!!!

SEPTEMBER 9 2019

I didn't know anything about Dr. Patel, so I was nervous. but he seemed very knowledgeable and had a great bedside manner.

SEPTEMBER 20 2019

Dr Patel gives me confidence in my care plan, but he's not going to win any bedside manner awards. All in all, I felt confident in Dr Patel's knowledge, but missed the focus on the rest of my body and mind beyond the fracture.
