## Simple Terms

JUNE 22 2019

**the Dr. was patient. Dr took the time to make sure I was comfortable on what kind of medicine he was giving me and explaining.**

JULY 28 2019

**This was my first visit with Dr. Xiu. I loved him. He was truly one of the most relatable physicians I've worked with. I walked back into my office and said, if anyone doesn't have a dermatologist, I have one for you. Seriously. I have NEVER done that.**

OCTOBER 26 2019

OCTOBER 28 2019

**Seemed to be in a big hurry. He was friendly about it, but came in, started immediately, never stopped moving, went through it quickly, and moved on. It felt difficult to ask many questions.**

OCTOBER 29 2019

**The Physician was excellent - great "bedside manner" while very efficient and focused on addressing the task at hand for which I was there.**
