Dr. Vanhaerents is the best.

JULY 27 2018

I've been very impressed by the care and attention provided by Dr. Van Haerents and his entire team. They helped me through a difficult health scare in a caring and thorough way, and I couldn't speak more highly of any of them.

MAY 26 2019

Dr. VanHaerants was exceptional. He was enthused about my case/history, very friendly, more pleasant than I ever expected and spent more time with me than expected. He gave me much needed information and educated me about my situation. I was extremely pleased with this care provider.

SEPTEMBER 20 2019

he is the role model for what a general practitioner should be...along with being one for his specialty
