AUGUST 16 2018

Doctor Hanauer is one of the most compassionate & best Doctors I have seen in my lifetime. I followed him to Northwestern. It is a longer & more difficult drive for me to Northwestern, but he is worth it. I am really amazed at the quality of care,the relaxed atmosphere at the time of the visit. They never act like they are in a hurry to get you out the door & on to the next patient. They always totally focus on you & your health at the time. They also focus on your future, which is very important also. I feel like I am certainly getting the best care I can get.
