I really like Dr. Mayer. He has been honest and pleasant with my situation of being an old polio or....post polio patient. I feel I can trust him and his treatment for me. Glad he's my doctor.

Dr. Mayer is great! I have had bad experiences with other doctors over the years, at other health systems. Dr. Mayer has been a refreshing change for me compared to last year's and that is why I do not have a primary care physician....I need to get one, but have been hesitant from past uncomfortable experiences at other facilities.

MAY 27 2019

Dr. Mayer has to be one of the most amazing physicians I've ever had. He's friendly, concerned about my wellbeing, listens to me, and said if I have any problems or a certain approach doesn't work to contact the office again and he'll talk with me about other options. I still remember the first time I saw Dr. Mayer because he said that he's committed to making me feel well again.
