AUGUST 16 2019

OCTOBER 8 2019

**My husband and I wish that Dr. Chae would have been his oncologist from the start of his cancer. He clearly knows what treatments are out there and takes the time to study my husband's particular cancer and genetic study. My husband's neuro oncologist, neuro surgeon, and internist have provided care that goes above and beyond and Dr. Chae is of the same caliber.**
