Dr. Lin is an excellent doctor and I have all the confidence in the world in his care.

MAY 17 2022

He was knowledgeable and explained things about my medication that hadn't been explained to me before. Was somewhat rushed and slightly dismissive. When I asked about symptom relief, he assumed I was looking for medications; however I was looking for lifestyle ideas - he didn't suggest anything other than titrating my current medication and pretty much said there was birthing I could do. I would see him for a procedure since he seemed to know his expertise well.
