AUGUST 24 2020

The Rheumatology staff is outstanding. From my first appointment, everyone I have spoken to has been so caring and very quick to respond. The phone system is the greatest I love that, in many cases, the patient is quickly connected to the office staff instead of waiting for a callback and then playing phone tag...Being diagnosed with a rheumatic disease was initially frightening, and I wondered what the future would bring to an otherwise active and fit 72-year-old. Dr. Geevarghese quickly put me at ease with his great bedside manner and thorough explanation of the disease, treatment, and reassuring prognosis. Besides being very knowledgeable, thorough, and caring, Dr. Geevarghese has to be one of the most likable doctors around.
