NOVEMBER 3 2020

Dr. Kung was wonderful. She sees a lot of patients, but never once made me feel like she was in a hurry, and answered my questions thoroughly. I am glad to have found a provider who we like, as we are in for many years of visits, and I know my son will be in fantastic hands.

NOVEMBER 3 2020

I loved the option to pre-check in, and felt that I didn't have to wait all that long to be seen. Everyone at the front desk was great and the facility is very clean.

NOVEMBER 1 2020

Dr. Kung and Caitlin are great. I was told to arrive early for a COVID test before my appointment. I did this and then waited in a busy waiting area for 10-15 minutes. I was told I was the first appointment for a spirometry test and then waited. Perhaps an adjustment in directions for patients might be helpful.

concerns and I never felt rushed or stupid for the questions I asked.
