AUGUST 23 2022

She is brilliant and kind

AUGUST 19 2022

Excellent follow up

JULY 11 2022

Once you have the best it's difficult to go elsewhere.

JUNE 27 2022

She seemed smart. She was new to my case because of turnover so she didn't have enough information to make recommendations without new tests. Some of her responses to questions I liked because she acknowledged the complexity and hard choices.

APRIL 18 2022

Waited way too long for her to arrive and if she was with me 10 minutes I'd be surprised.

MARCH 1 2022

I just wish she ran a bit more on time. Otherwise, I feel Dr. Wallia is very knowledgeable.

DECEMBER 17 2021

Dr. Wallia is so caring and genuinely concerned about your health and well-being.

OCTOBER 11 2021

She is a wonderful doctor but I feel her time is more focused on research than giving her all to patients.

OCTOBER 1 2021

Dr. Wallia is smart and explores alternative treatment options. She is an excellent physician.

SEPTEMBER 28 2021

Thorough and efficient. Reads info loaded in my chart to know what is going on with my health

SEPTEMBER 13 2021

Excellent care

MAY 10 2021

Dr Wallias expertise was abundantly clear and her empathetic demeanor was an appreciated bonus.

MAY 5 2021

Dr. Wallia has solved some of my medical problems

APRIL 16 2021

Dr. Wallia is extremely knowledgeable and an expert in her field. She thinks about all the possibilities before coming to conclusions. I trust her completely.

APRIL 12 2021

I met her for the first time and I felt very comfortable. I look forward to her helping to resolve my issues

APRIL 7 2021

She treats you with respect and values your opinions.

APRIL 5 2021

I really liked the doctor and Im looking forward to working with her as time goes on but she seemed rushed. Id like to get to know her more and see how we work together. Shes nice, I just dont know her yet. Im sure itll all work well.

MARCH 29 2021

She is very friendly and informative. Covers all applicable issues in depth.

MARCH 1 2021

She is very thorough, very personable, and very professional.

FEBRUARY 15 2021

She referred to the information that I sent her prior to the phone/video interaction.

FEBRUARY 15 2021

I like her.

FEBRUARY 12 2021

Very positive experience.

FEBRUARY 12 2021

Thorough analysis of info on my MyChart.

FEBRUARY 1 2021

Very knowledgeable and caring

JANUARY 11 2021

Thorough evaluation and conversational style. I feel heard and understood by Dr Wallia.

DECEMBER 11 2020

Dr. Wallia is extremely knowledgeable and makes and helps me make informed decisions.

NOVEMBER 23 2020

She was very thorough

SEPTEMBER 29 2020

I thought she was knowledgeable, thorough and very nice.

SEPTEMBER 29 2020

I really liked the 2 doctors that examined me. I liked the fact that they asked lots of questions because I was a new patient.

SEPTEMBER 14 2020

Dr. Wallia, demonstrates patient care and researched what She felt might be of some use in assisting me with what I described as a Recent health challenge.

SEPTEMBER 14 2020

I feel they are very interested in my care and took the time to review my files and asked pertinent questions.
