SEPTEMBER 28 2021

I was scheduled with Dr Gopal with Neurology Movement Disorder Clinic. Upon arrival, I had almost no wait time and a very professional MA to check me in. Unfortunately, Dr Gopal couldn't treat me, but she was very empathic towards my situation and referred me to NW downtown and she even sent an email on my behalf and they literally called and scheduled me that afternoon! She went above and beyond to make sure my trip was not a wasted trip since I drive 3 hours to NW. I'm actually sad that Dr Gopal can't be my dr. Definitely recommend her and her office for sure!
