SEPTEMBER 14 2020

Excellent care.

SEPTEMBER 14 2020

Dr. Bonakapour was caring, patient, thorough in his assessment of my needs and presented an overall game plan moving forward addressing all of my needs. His assistant Toon was lovely as well. His entire team of referrals from my previous visit (telehealth) have been helpful as well.

SEPTEMBER 11 2020

Dr. B. was the lead on a team of neuro experts who tested and evaluated my neurological health, to determine if I was suffering from early cognitive impairment (answer: no!). I was so impressed by the team of people who interviewed and tested me. After a couple of months of sleep study, sleep

psychologist, neuro psychiatrist, I circled back around to Dr. B. for a final evaluation. I'm happy to report that there were no signs of cognitive impairment, and I am glad that we now have a baseline against which to evaluate my neuro functioning as I move further into old age. (My father was diagnosed with, and died of, Alzheimer's.)

SEPTEMBER 5 2020

He is compassionate and caring. He is thorough and detailed in preparing and responding to my concerns.

SEPTEMBER 5 2020
