JULY 19 2021

Originally, in the year 2000, I was told by another patient, that Dr. Bruce A. Cohen was one of the best neurologist in the country. From my own experience, hes definitely lived up to that reputation. I would not feel comfortable seeing another neurologist. Dr. Cohen is brilliant, as well as thorough. He explains everything to me in a way that I can understand. We both play a role in my care, and he allows me to ask the toughest questions, without becoming irritated. Dr. Cohen is the best, and he truly cares about his patients.

JULY 17 2021

He makes sure he understands and addresses all needs of the patient. He consults with other providers when necessary to assure patient is receiving most effective treatment.

JULY 16 2021

Extremely Professional and Knowledgeable about Multiple Sclerosis. Explains diagnosis and treatments clearly and in layman's terms. Spends time discussing and sharing anecdotes about family and other mutual interests.

MARCH 17 2021

He knows MS. Hes pleasant

MARCH 15 2021

Personal interest plus great conoetence

MARCH 15 2021

He has been my Neurologist for at least 18 years. I attribute his care for keeping me ambulatory & without using any devices. We (my family) really appreciate his knowledge about MS & treatments.

MARCH 15 2021

Dr Cohen takes the time to answer all your questions and provides his valuable knowledge.

MARCH 14 2021

He's terrific! Quiet, thoughtful, careful listener, totally devoted to individualized care. We have real discussion of risks and benefits of all treatment options, and we come to joint decisions on how to proceed. A great combination of doctor, scientist, and human being.

MARCH 12 2021

I've been his patient for 20+ years. He's always been very personable and listens to my issues and responds in a clear and understandable way. He often gives me guidance / advice how to address other health issues, e.g. what kind of doctor to see, where to look for an appropriate one, etc.

MARCH 4 2021

Good exam by physician. I did feel he was agitated that I was there and was second guessing the care from my primary neurologist. He excepted my request that I would like to see him yearly and would be there if I would be a benefit from other therapies or studies if needed. Northwestern is a wonderful

medical center. Excellent staff.

MARCH 1 2021

Best doctor for Ms out there

FEBRUARY 26 2021

I have been a patient of Dr. Cohen for 4 years now, and would highly recommend him to anyone with MS. He takes the time to thoroughly examine any concerns I have and I have never once felt rushed during any of our appointments. He is compassionate, listens to what I have to say, and is receptive if I want to think more about his recommendations before implementing them. He also remembers personal details and checks in, which makes me feel valued as a patient. His team, Chris and Jessica, are also wonderful, very helpful and respond quickly. Thank you, Dr. Cohen!

FEBRUARY 25 2021

Doctor was knowledgeable about MS and medications. He looked stuff up if he wasn't certain &/or wanted more specific numbers & data.

FEBRUARY 24 2021

Very knowledgeable and explains everything very well

FEBRUARY 22 2021

I have been with Cohen since my diagnosis. He clearly explains and answers and questions or concerns I have. Due to my care with him I am considering switching all my doctors to NW instead split across your institution and advocate.

FEBRUARY 20 2021

He's doctor what care about you and your health extremely.

FEBRUARY 19 2021

Anyone that needs a Neurologist, I would suggest Cohen!
