APRIL 24 2024

Dr. Killian was very thorough and spent enough time answering my questions. He put my mind at ease that I wasn't having cardiac issues, and was warm and caring. I was able to get an appointment in less

than 24 hours with him. I so appreciated that because it's impossible to get one with my regular PCP and I was provided with exceptional care and expertise by Dr. Killian. I wouldn't mind making him my regular PCP. He involved me in my care and LISTENED to me. He never talked over or down to me. Keep up the amazing patient care. I highly recommend this doctor.
