AUGUST 22 2022

As warm as he was effective in providing a very human-oriented brand of care

As warm as he was effective in providing a very human oriented brand of care.

AUGUST 22 2022

Dr. Shah is extremely personable and builds trust with the patient immediately. He was able to quickly and efficiently identify the problem I had and provided the solution to me in a way that I understood. He didn't shy away from expressing concern with the severity, but I felt reassured that he would do everything he could to fix it. And he did! Plus, he seems to remember small details about patients even months later which is very impressive and appreciated. I would HIGHLY recommend Dr. Shah

AUGUST 20 2022

He is thorough and explains my situation and solution very well.

JUNE 21 2022

The office was personable, pleasant and professional. Dr. Shah was expedient in noting my urgent needs (of my injury) and prioritizing his busy schedule around it. He diagnosed and quickly forwarded my needs to the necessary providers (i.e. MRI).

JUNE 21 2022

Direct, friendly bedside manner. Listened intently to my concerns, clearly explained the problem, and discussed treatment options. I like knowing to odds a single injection will suffice but also knowing it can be repeated and that surgery is available, if needed in the future.

JUNE 21 2022

Dr. Shaw is an outstanding orthopedic surgeon. I worked for one at Northwestern for several years so feel I can make an honest assessment. Dr. Shah is a thorough clinician, is extremely articulate and explaining the nature of the problem and options for treatment and care. He is personable and engaging and I recommend him without reservation
