AUGUST 28 2022

The doctor took time to listen to my background, observations and then he read my past history and explained the steps he is going to take towards medical treatment in a way I can understand. He was

very understanding of my needs, very professional and patient centric.

AUGUST 25 2022

One times I had a lot of swelling info my lower extremity and had to go to ER. But I text Dr. Schimmel on my chart and didn't have to wait in ER but in comfortable waiting area for them to prepare my hospital room. He made me feel very important that day. It's just the little things that really count and make you feel special.

AUGUST 24 2022

So incredible knowledgeable, professional and puts you at ease. Always willing to answer all your questions.

AUGUST 21 2022

His approach is thoughtful, patient, and logical. He explains his reasoning in language I can understand. He listens.

AUGUST 14 2022

great doctor

JULY 18 2022

Excellent advice and analysis

JULY 13 2022

listened to my issues, described options in detail, came up with a mutually agreeable plan

JULY 7 2022

Doctor Schimmel was outstanding, I had not previously had my condition explained to me the way he did. He took his time and was very thorough and answered all my questions despite them being scattered. He found some gaps in my previous care and filled them in. My previous doctors lacked my faith and confidence and Doctor Schimmel not only gained that but surpassed my expectations.

JULY 6 2022

Very through with exam, professional, common sense approach going forward.
