APRIL 2 2018

**Med student and Dr. Bega spent a lot of time with me and I peeled they cared.**

MARCH 25 2018

**Dr. Bega has an exceptional "bedside" manner. One feels secure and "taken care of" almost from the moment he arrives. He is a "listener". Unfortunately, he is not the neurologist that I need. After running the tests, he was able to rule out his ability to help me get my problems solved. He gave me an idea where testing and treatment would be heading. My professional years were spent as a vocal communications consultant. This young man has communications gifts that complement his professional skills unusually well. His manner puts the patient at ease very quickly.**

MARCH 19 2018

**I appreciate the excellent care that Dr. Bega and his team gave me. They addressed concerns I had about a CT scan that helped put my mind at ease. Thank you.**

FEBRUARY 28 2018

**Love them all!**

FEBRUARY 22 2018

**We love \*Dr. Bega!**

FEBRUARY 21 2018

**Outstanding patient/doctor relationship. (\*Dr. Bega).**
