**He explains everything to me, answers my questions and is patient with me.**

JANUARY 18 2022

**I talked to Dr. Liebovitz on a telephone appt., a type of appt. I've never done before. It was so convenient. Even tho' I felt a lot better by the time I talked to him, Dr. Liebovitz was very kind and interested. He asked me what prompted my call for an appt, and asked about my different symptoms, as well as other questions about my health. It was a good call. I felt much better about my scare with Covid after talking to Dr. Liebovitz. Please thank him for me.**

SEPTEMBER 1 2021

**I've been under his care for almost 20 years wonderful doctor very caring**

SEPTEMBER 1 2021

**Yes I would recommend, because I find Dr. Liebovitz to be pleasant but professional, patient, seemingly quite knowledgeable and willing to refer clients to other medical resources or departments for treatment, test or a different medical opinion. In my opinion for one to get well or stay as well as to be expected in one's condition you must have faith or belief in the individual that you are entrusting your life or health to.**

AUGUST 30 2021

**He is very caring**

AUGUST 29 2021

**Dr. Liebovitz is superb: an excellent communicator, a good listener, patient, and responsive.**

AUGUST 24 2021

**This was my first virtual Eöetel-visit appointment. It took 3 tries to get my mobile phone settings. After that the appointment went smooth. Dr Liebovitz took care of my immediate requests to renew Rx's. He also reviewed my medical history to make suggestions for my ongoing preventive care. I was very comfortable with the virtual appointment and felt I was receiving the best if care. I would not hesitate to consult him again for my medical care. Thank you so much!**

AUGUST 20 2021

**Great listener. Takes time to explain treatment options. Thorough. Knowledgeable.**

AUGUST 11 2021

**Respect his insight and opinion on my health and care needs. Attentive, personable and very professional.**

JULY 26 2021

**He listens to my health concerns and provides sound advice.**

JULY 24 2021

**Listened to all aspects of the situation and provided thoughtful recommendations.**

JULY 19 2021

**1. He took my concerns seriously and attended to each one, regardless of how minor they may have appeared. 2. He arranged for testing or imaging when necessary. 3. When there are alternative options to testing or treatment, he explained those as well. 4. I feel as though he is only prescribing medications**

**I absolutely need and not giving me medications that only might be useful. (Personally, I'd rather not take so many meds.) 5. He's thorough and follows-up either in the appointment or in My Chart. 6. He provides comments about my testing results in My Chart soon after the results come in. 7. He has a good patient rapport. He's easy to talk to and makes me feel comfortable.**
