OCTOBER 15 2019

Dr. Lloyd Jones is by far the best doctor I have ever been to (and I'm close to 71 years old). Before

meeting with him I was very nervous about what he was going to tell me. He explained everything to me in terms that I could understand and put my mind at ease. He is a very caring and compassionate doctor. I have COMPLETE confidence in him and his staff.

AUGUST 19 2019

***Dr. Lloyd-Jones is amazing!! He's everything you could possibly hope for in a doctor.**

JUNE 16 2019

Dr. Lloyd-jones is everything a doctor should be and more. I fly in from North Carolina to see him because I trust him. He is kind, thorough, knowledgeable and careful.

APRIL 22 2019

I owe my current well-being, the quality of my life, if not my life itself, to Dr. Lloyd-Jones. This fulfills my wife's life.

FEBRUARY 9 2019

The doctor seems very competent and experienced, as well as concerned and friendly.

SEPTEMBER 16 2018

Again, Dr Lloyd-Jones is the best physician I have ever had. He is obviously a leader in his field at an international level, but he he goes far beyond his expertise. Dr Lloyd-Jones is thoughtful, caring, compassionate, respectful, patient, and speaks/translates to you in layman's terms in a very respectful manner.

Excellent doctor.

AUGUST 14 2018

very pleasant

JUNE 27 2018

Always good.

JUNE 19 2018

I appreciate knowing why one medication had certain side effects and its replacement does not, and it's good to hear that the treating physician is pleased with how you are responding. I also appreciate that most of the treatment is very simple and doesn't require medication - nice to find a practitioner that believes in self-help and non-prescription options as a first line if possible.
