MARCH 26 2022

Dr. true Spencer took care of me he not only listened for me to tell him where I was experiencing most of my pain it's almost like he could read the pain within me and I really really appreciate that and that he

of my pain he almost like he could feel the pain himself and I really really appreciate that and that he understood exactly what I was talking about.

MARCH 19 2022

I've just met him once we'll see what happens after I get my MRI

MARCH 15 2022

I didn't not only tell him about the shoulder pain, I demonstrated the limitations on my range of motion. I feel that the x-rays ordered should have included the shoulder as well. I do appreciate the referrals for physical therapy and acupuncture he recommended along with the medicines prescribed.

MARCH 10 2022

He is a very informative doctor will make sure that you understand everything before you leave

MARCH 10 2022

I was very happy with the care I received, and the plan for future treatment.

MARCH 8 2022

The doctor listened to me and was very detailed. The doctor took the time to answer any questions and I did not feel rushed at all.

MARCH 7 2022

First meeting was ok.

MARCH 3 2022

He seemed to be concerned about my pain and to want to get down to the bottom of my pain. Thorough and patient. Good feeling when he walks in the office. Didn't feel like I was in an assembly line.

MARCH 1 2022

Compassionate, skilled surgeon who takes time to understand symptoms and explain treatment options from conservative to aggressive approaches.

FEBRUARY 26 2022

Diligent with care. Excellent skills. Takes time to listen to symptoms and develop a strategic plan.

He listened to my concerns and seemed to really care about my health.

FEBRUARY 12 2022

Very thorough in explaining what the course of action will be and took his time with me . Not in a hurry

FEBRUARY 8 2022

Professional, knowledgeable, honest, thoughtfully put together assesment and plan. Appreciate his care

FEBRUARY 7 2022

Genuinely concerned about my case. Listens to patient about concerns. Specific to me: reviewed records prior to meeting with me, thus having an understanding of what I have been through.

FEBRUARY 3 2022

Dr. Spencer cares for his patients a lot and listens attentively to their concerns.

FEBRUARY 1 2022

Dr. Spencer takes his time to explain situation and process of the surgery. He designs a thorough after care for recovery.
