JANUARY 12 2022

She really approaches my care as a partner. I always feel like a shared decision maker and she is never paternalistic.

JANUARY 10 2022

Dr. Gerard and her team are exceptional. Her genuine care for my health is evident in every appointment I have with her. She works with me to understand my current health challenges, and combines that approach with the factual medical data she ensures I get to create the optimal treatment regimen. I also want to call out her nurse Liz who is likewise compassionate and incredibly responsive. I

know I can count on Liz to help me however I need.

DECEMBER 11 2021

Dr. Gerard always addresses all my concerns. She is very knowledgeable. She has always been there for me when I was having a neurological problem. She is kind, sincere and always there for her patients. Dr. Gerard is excellent in what she does and I will always recommend her.
