She is smart and compassionate. She's also very thorough.

MARCH 25 2022

MARCH 25 2022

Thorough exam, always willing to answer questions. Doesn't rush through visit.

MARCH 25 2022

Dr, Barber's personal attention, positive attitude, effective and unhurried way of communicating information about my condition and treatment is both reassuring and instills me with confidence and optimism to move forward. She uses the team approach along with latest research and data to back up and inform her decisions about my treatment which is very important to me.

MARCH 15 2022

Highest quality and most advanced care.

MARCH 12 2022

Dr Barber is an excellent clinician. She explains care and diagnosis well. She listens and cares about her patients.

MARCH 11 2022

She is Excellent in her field and knowledgeable and a compassionate and caring individual. I felt like I got the best possible care.

MARCH 11 2022

Dr. Barber was very professional and was very clear in explaining everything to me. I did not feel rushed and I feel she spent time with me.

MARCH 11 2022

Welcoming , knowledgeable and professional

MARCH 8 2022

I like her take-charge attitude. She listens, answers questions, all while seeming to actually care about the patient. Not every doc can balance those things effectively.

MARCH 5 2022

She is very knowledgeable, reasonable and proactive.

MARCH 4 2022

Very knowledgeable and caring doctor.

MARCH 4 2022

Everyone went out of their way to listen and were very nice. It's very rare to find such professionalism any more I could relax knowing my doctor knows what she's doing

Very empathetic and caring

JUNE 4 2021

She is smart and empathetic and cutting edge.

MAY 25 2021

Very thorough and answers all questions plainly so a non professional can understand.

MAY 23 2021

She and her team were very friendly and professional. She explained and answered all my questions.

MAY 21 2021

She has a take-charge attitude that instills confidence immediately, literally in the first 2 seconds. That's rare in a dr.!! I didn't get that from the 2nd opinion I met before her (it was really more a practice run as much as it was a 2nd opinion). She was fast and efficient but I never felt rushed or that she didn't care. She didn't mess around--do surgery right away. Get the cancer out.

MAY 21 2021

Great score for now
