***Dr. Feinberg spent a tremendous amount of time with us. She is very thoughtful and patient and took the time to answer all of my questions. Outstanding!**

MARCH 9 2019

Dr Feinberg is a wonderful provider. She explains your options well and engages in shared decision making. I love that she put follow-up notes in the discharge notes so that I can refer back to them as needed. A lot of my tasks are months out which makes it harder to remember so having them written down is really helpful.

FEBRUARY 9 2019

***Dr. Feinberg and her nurse were amazing. She explained what she thought was going on and how to proceed forward. She made me feel very relaxed. When the tech was not available to do my ultrasound, she did it herself. She went above and beyond to get all my testing done.**

FEBRUARY 9 2019

AUGUST 24 2018

I think Dr. Feinberg is an incredible doctor and the perfect person to be dealing with such a sensitive subject. I feel that she is also kind and honest, which is helpful. She didn't pretend that our odds for IUI

were great, so I believe her confidence in IVF. I do not think she would lie to a patient to avoid hurting people. She really is the best!
