APRIL 16 2024

Dr Shownkeen and his 3 physicians assistants or NP's are terrific and always informative when I have questions. They have patience for my questions and work with my schedule when scheduling our procedures. I have faith in Dr Shownkeen and his experience and networking to solve my complicated medical issue.

MARCH 5 2024

My primary doctor Gigi Ip recommended Efficient, friendly and is human and empathic.

FEBRUARY 29 2024

Same reason. He's the best.

JANUARY 24 2024

My husband has had several "miracle" procedures with Dr Shownkeen and are very grateful for him

JANUARY 22 2024

He's really sharp, extremely thorough, and very easy to work with.

NOVEMBER 20 2023

He didn't just look at my age and give up on me. Doctors seem to do that with old people sometimes.

NOVEMBER 6 2023

He is the best! I'm blessed to have found him!

SEPTEMBER 23 2023

His time at s split between setting up a new hospital, cdh, and other endeavors. If my case wasn't as complex as it is, I would have switched doctors. But he is the best, and I appreciate his expertise. I just hate waiting with a giant aneurysm in my head for 2 and a half months . Seems like eternity.
