APRIL 28 2024

**She is very thorough and explains everything she sees and does. She also answers any questions you have. I also appreciate that her clinic actually calls ( a real person ) to remind you of an upcoming appt. They also give you a # to call that you can directly speak to an associate , rather than a message center that you have to wait days to hear from & then they answer you via the message ( online center)**

APRIL 26 2024

**Dr Gill knows her stuff and you can tell she is efficient yet complete.**

APRIL 24 2024

**She caught my skin cancer and got me to Dr. Pepitone. All has gone well with frequent checks.**

APRIL 24 2024

**Very competent, caring and professional. Dr Gill makes sure I understand the issues and cures. I absolutely trust her..**

APRIL 23 2024

**Very kind professional care giver. She is extremely knowledgeable about skin cancer and has helped me deal with my issues.**

APRIL 23 2024

**Dr Gill is so caring and professional. No one enjoys having every inch of their body visually examined. But Dr Gill helps me very comfortable. She engaged me in friendly conversation, explained what she was doing, and answered all my questions fully and patiently.**

APRIL 21 2024
