SEPTEMBER 26 2023

I won't take away that he is very knowledgeable and I do trust his care plan. But he does come across dismissive at times. He has to understand that he does have the knowledge about his specialty, but I do not. We also are afraid and stressed at going through these difficult diagnosis. I know everyone is busy and schedules are full but a little better bedside manner would be appreciated.

SEPTEMBER 26 2023

It was nice to have someone sit with you and actually explain why is going and why things happen this way. All options were explained. Never felt rushed and felt like someone was actually listening to me.

SEPTEMBER 21 2023
