***Dr. Flaherty is a good doctor and I trusted him.**

NOVEMBER 3 2018

Dr. Flaherty is the best! He makes me feel like I'm his only patient...time spent, care given, follow up...and of course, his expertise.

OCTOBER 12 2018

Amazed at the thoroughness of Dr. Flaherty, his assessment of my condition(s), likelihood of good results with my current status, and steps to confirm (or modify) plan of treatment. Third cardiologist I have seen (over 59 years), and Dr. James Flaherty is a "rock star."
