MARCH 17 2021

She seems to show genuine concern for my overall health and wants to do what is best for me now and in the future - and it has been a up and down journey for me. I trust her judgment and the advice that she gives me - I hope to keep seeing her at NMH for a long time to come.

MARCH 15 2021

she is outstanding. The best!!! She has been guiding me and keeping a close eye on me for almost four years. I can't say enough good things about her.

MARCH 15 2021

Dr. Wilcox and her nurse April were very welcoming. Dr. Wilcox and her nurse clearly had reviewed my records and the visit was personalized to my conditions. They both asked what my concerns were. I do have new symptoms and those were addressed and the doctor ordered testing that would give her greater insight into my condition and implied there may be new meds that could help me. I'm very hopeful now. I just want to get better.
