FEBRUARY 16 2022

**Dr. Nichols was very thorough in her examination and then explained things clearly. She takes time with her patients. She made me feel like I was the only one she had to see. She did not race through my examination, but took lots of time not only examining me, but explaining what she felt was wrong and how it could be fixed. I left her office feeling hopeful that my condition was going to improve. I have not felt this way in a very long time and I really thought that I was never going to improve. I was feeling very depressed and Dr. Nichols gave me hope.**
