APRIL 21 2024

Dr Cooksey was thorough and asked me good questions.

APRIL 18 2024

Great care. Very patient and friendly. Good listener and offers solutions. Dr. Cooksy is a wonderful doctor.

APRIL 11 2024

Dr Cooksey subject matter as well as the nitty-gritty details of the machines that we have to use at home. She's a very good balance.

APRIL 11 2024

I liked her right away being very thorough

APRIL 9 2024

Dr. Cooksey took the time to answer all my questions. She did not seem to be in a hurry. Liked the detailed explanations from the sleep study which not only made sense but put my mind at ease. We covered a wide spectrum of information and came to aligned conclusions regarding my health.

APRIL 2 2024

Sharp, quick, knowledgeable and great communicator

MARCH 25 2024

I feel she has made such a great difference in my life. I no longer fall asleep during the day. I sleep so much better since getting my CPAP machine. She really listened to me and scheduled the tests I needed to get me feeling better.

MARCH 19 2024

Great doctor

MARCH 12 2024

All of above general responses are directed to her and her staff. Professional and highly competent

MARCH 1 2024

She took her time to listen to my issues and recommend a program to get me thru my issues.

FEBRUARY 29 2024

I like that is now a better way to study sleep at home using a home monitoring device and that Dr. Cooksey, MD uses this newer technology versus a sleep lab study which seems abnormal to me. Also, I like that I can get the device to measure my sleep via FedEx or also make an office appointment too. Is very nice to have options and to be able to sleep in a normal home environment vs lab.

FEBRUARY 29 2024

She listens to me and reminds me of everything I need to do to keep my health in excellent condition clearly
