JULY 31 2022

I've only met with him twice so far and he already knows more about me and my condition than I could have ever expected.

JUNE 26 2022

He was thorough

JUNE 23 2022

Dr. Brent has been very informative and very patient with me. He explains all the information provided so I can understand. He is, obviously, incredibly knowledgeable and has been generous

JUNE 22 2022

He is so nice and good doctor

MAY 30 2022

Very thorough, well versed, and caring.

APRIL 20 2022

He listened to my concerns and explained his assessment and recommendations. He repeatedly said he was here for me and wanted to know everything going on with me. I felt that he cared.

MARCH 24 2022

Dr Brent genuinely cares about me and my overall quality of life.

MARCH 21 2022

Dr. Brent always centers our time together specifically around my questions and goals. He is very positive, supportive and he explains things to me in detail including my questions about research - which is very important to me. He and his team are awesome!

MARCH 17 2022

His thoughtful and reassuring care.

FEBRUARY 16 2022

Dr Brent is patient patient patient with my mom and I. He is forthright with all of the information that we need. He answers all of our questions with thoughtfulness and honesty. We appreciate the time and support that he has for us.

JANUARY 23 2022

Dr. Brent is a lifesaver! He is one of the first doctors to really listen to what I have been going through and take action so that I can get the care I need quickly.

JANUARY 6 2022

Feel care is personalized and competent.

JANUARY 5 2022

Dr Brent was very interested and patient with my elderly mom and her condition. He is very knowledgeable and took the time to be very clear and honest with us during her visit. We both really liked him and appreciated his kindness, patience and knowledge.

DECEMBER 29 2021

Dr. Brent is obviously a very dedicated, competent and intelligent neurologist who is an empathetic and active listener. Cannot begin to describe how helpful he was in his explanations.

DECEMBER 22 2021

Dr. Brent listened to us and address every concern. He put us in touch with other professional who treated us with genuine care and respect.

DECEMBER 15 2021

He has a tremendous wealth of knowledge regarding my circumstance. He was generous to invite me to visit with him.

NOVEMBER 17 2021

Dr Brent is so personable and caring!

NOVEMBER 11 2021

Dr. Brent has a great balance between caring and being positive - and not sugar coating a challenging and often times complicated and difficult diagnosis like ALS. *Very Grateful to have him and his A-Team a big part of my ongoing medical care. The fact that he is leading research to find a cure is also very important to me!

OCTOBER 18 2021

He was very understanding and patient. He took the time to address all of our questions and explain the process of my husband's care plan going forward. He made both of us feel comfortable and well cared for.

SEPTEMBER 29 2021

Everything from start to finish was executed at 100%.

SEPTEMBER 5 2021

Both knowledgeable and personable. Breaks down the information to provide meaningful dialogue.

AUGUST 24 2021

Dr. Jonathan Brent has an excellent bedside manner, and expresses (genuine) concern about my care.

AUGUST 11 2021

When you have ALS it is important to find a Dr who is passionate about finding a cure - in addition to being a sharp MD / PHD who treats the illness and symptoms. *I feel that Dr Brent (and the team at Northwestern) are just that.

JUNE 16 2021

Spent his time, asked good questions and was extremely connected with our only conversation to support and corroborate what I thought. Walked me out and offered, although no follow up expected, to be there for me for whatever I needed. He is stellar

JUNE 16 2021

He took time do learn about me not just my physical health and explained the process of care

MAY 23 2021

Dr Brent explained everything completely and was very caring.

MAY 20 2021

Candid, focused; has a "distanced concern": honest and believable, inspires confidence.

MAY 16 2021

Engaging and thoughtful responses to questions

MAY 16 2021

Dr Brent was very knowledgeable, personable and compassionate for a very difficult diagnosis. I look forward to working with him and the entire team at Northwestern moving forward.

MAY 11 2021

Only my first time with Dr. Brent.

Dr Brent was very thorough and knowledgeable.

SEPTEMBER 20 2020

we felt like he truly cared, and that goes a long way.

SEPTEMBER 20 2020

Dr. Brent, and the whole team, took the time to really explain things to us. They did not rush us and they let us ask as many questions as we wanted. We walked out feeling more knowledgeable and prepared to make decisions that will affect our future.

SEPTEMBER 18 2020

Again he is very caring he take his time to figure things out. Thank you

SEPTEMBER 18 2020

Dr Brent is caring and has gone above and beyond

SEPTEMBER 13 2020

Dr. Brent is thorough and very pleasant. He displays sincere concern for his patients.

SEPTEMBER 13 2020

Staff is friendly and efficient. The only problem we had this time for a teleconference is that we never received the link. The first time I called was 30 minutes before the scheduled appointment. I was told to wait. I called back 30 minutes after the appointment because I still hadn't received the link. At that time when I called to check with the office they had Dr. Brent call within a short period of time.

SEPTEMBER 12 2020

Dr. Brent is an expert in his field and I am confident in his abilities. Dr. Brent was attentive to my concerns and addressed them in a professional manner. Dr. Brent left me with a positive outlook and a realistic idea of my condition. Dr. Brent is one of the good guys. The whole Northwestern team is pretty awesome and it makes the process so seamless. Thank you, All good things

SEPTEMBER 9 2020

Dr. Brent was extremely thorough in his explanations about testing and his hands on exam of limbs. He immediately answered questions with empathy and professionalism. Feeling very confident about having him as my physician during future appointments.

SEPTEMBER 9 2020

Concerned staff from check-in to checkout during initial visit.
