MARCH 3 2022

I have only met with her once so my opinion could change over time. Right now I feel good about her thoroughness and her kindness. Long term it's all about how effective her medical care is and I have no reason to believe it will be anything but stellar.

MARCH 3 2022

She is wonderful and delightful. I love her bedside manner. She's so pleasant and caring . She seems to be right on point with everything she says.

MARCH 2 2022

Dr. Tsay performed an excellent analysis of my current health status and explained everything in a very respectful manner in terms which were easy to comprehend. She answered all of my questions honestly without hesitation, which resulted in no unanswered items for future follow-up. She also took a personal interest in my physical condition and provided excellent dietary and cardio activity recommendations for me to follow. The end result is to maintain my body in excellent condition for my extended future.
