I cannot say enough about *Dr. Ghafourian. He saved my life. He is kind and understanding. I love him. A+.

MAY 20 2019

Dr Ghafourian has always been wonderful in the 4 times I have seen him.

MARCH 25 2019

I am a heart failure patient. I was there to discuss an "episode" that concerned me. We went through past tests, got an EKG and set up a plan to further explore my situation. I felt better just by having the discussion.

JANUARY 24 2019

I have seen *Dr. Ghafourian 3 times in the past 12 months. He has been a wonderful doctor to work with during that time. His support staff has been wonderful as well.

MAY 21 2018

Dr. Ghafourian was very good in answering our questions and explaining things in a way I could understand

APRIL 16 2018

My doc Dr. Ghforian saved my life! He figured out I had amaloid disease not cardiomyopathy and I had a

liver issue which heart and liver were both transplanted. I cannot express how much respect I have for him. He is a great man and very humble.
