JULY 15 2022

Dr. Sachdeva knows how to treat pain. He is not arrogant, his is confident in his approach to therapy including the patient's views as he assesses how to maximize the pain treatments available. He is the best.

JUNE 28 2022

Patient. Listened and asked tons of good, thoughtful questions. Turned it into a discussion, and included me in the process of trying to figure out what might be wrong. Didn't try to act like he knew the answers, but didn't treat me like my symptoms were a figment of my imagination simply because he didnt.

JUNE 25 2022

No issues.

I feel confident the Doctor is doing everything to make my life better.

APRIL 5 2022

All patients deserve the highest quality healthcare.

APRIL 4 2022

Dr. Sachdeva was super kind and caring. I know he is a busy doc, and for good reason- he's fantastic! I appreciate how detailed he and thorough he is. He genuinely takes the time to listen to his patients, as well as explain the plan of care and reasoning behind it. Despite my husband and I both being nurses, we sincerely appreciated this- it's just different being on the patient side of things.

APRIL 3 2022

He listens and works with pt.
