**I've been seeing Dr. Carroll for many years. My experience with her is always the same. She is all of the above attributes you ask about.**

JULY 17 2019

**exceptional**

JULY 13 2019

**Dr. Carroll takes the extra time I need to go over things so that I understand and can follow what our plan is. Due to processing disabilities she helps me by following strategies given like talking slower, writing things down and repeating, and allowing me time to get my questions out. She is very patient and listens well. I appreciate her willingness to really know me and understand my condition as well as comorbidities that I already had. She is awesome.**

JULY 13 2019

**I have recommended Dr. Carroll. My daughter is also a patient.**
