Knowledge

AUGUST 10 2021

Brilliant physician, able to explain complex issues in an accessible manner and works through diagnoses carefully while demonstrating a concern for patient understanding.

AUGUST 10 2021

Dr Perry has been honest in his review of my care, including when there was family medical conditions were disclosed, his tone of voice changed but his outlook was still encouraging.

AUGUST 10 2021

Dr. Perry is great! He gives you all the time you need on a very personal level. The support staff is wonderful as well

AUGUST 10 2021

I found Dr Perry to be very dismissive and a bit condescending. It is not that He didn't tell me what I wanted to hear; it was his general attitude. I felt like I was wasting his time and would never go back

AUGUST 10 2021

Detailed, knowledgeable and personable

AUGUST 9 2021

His personal approach. Excellent explanation of path forward for medical care.

JUNE 14 2021

He is very caring, very precise and easy to talk to.

JUNE 14 2021

He is very personal with my care, never in a hurry to get on to the next person. We were late and didn't have to wait more than 10 mins.

JUNE 12 2021

Dr. Perry and Nurse Linda

JUNE 11 2021

Personable and caring!

JUNE 10 2021

Knowledgeable and professional

JUNE 10 2021

Experience professional and caring for a patient and his assistant Linda is the best

JUNE 4 2021

At my first exam with Dr. Perry on March 30, he thought he would not have to do anything to my prostate during my upcoming procedure. On May 6 he performed a cystoscopy, removal of bladder stones. I had a post op appointment on May 21 at which time he advised having a prostate procedure for BPH enlarged prostate. He suggested a female doctor in the Urology Dept to perform the procedure. He was to introduce her to me that day, but she was not in the office. I didn't get her name. She was to call me. I have not heard from since 2-weeks ago.

JUNE 3 2021

Someone on his team dropped the ball during my visit, where I was put in a room, door closed and forgot about, for about an hour and a half, not cool. But when Dr. Perry did come in he was pleasant and apologize, but I still feel some type of way.

JUNE 2 2021

I did not see anything special about him. What I would expect from any doctor.

JUNE 2 2021

Dr. Perry has excellent bedside manners. Very patient and he didn't rush out of the room.

JUNE 2 2021

I don't think my operation in 2014 or the follow up visits since then could have gone any better than they have.

JUNE 2 2021

Kind, knowledgeable, takes his time.

JUNE 2 2021

Professional yet friendly!

JUNE 2 2021

He is knowledgeable and compassionate. He answers questions clearly and explains things well. I have already referred a friend to him, and they had a very positive experience as well

MAY 30 2021

He's right on the button plus he is knowledgeable

MAY 28 2021

He spoke in terms I understood, took the time to explain what would be going on and the steps needed to get there.

MAY 28 2021

I believe Dr Perry is a great physician and an expert in his field. But, his communication skills, empathy, and relationship building skills are even better!

MAY 28 2021

Dr Perry couldn't have been more helpful and kind during the whole process even though I could tell how busy he was. Also I appreciate his modesty for his own talent.

MAY 27 2021

He was informative, accommodating, and reassuring at a moment of anxiety and uncertainty.

MAY 26 2021

Knowledgeable and informative

MAY 24 2021

He was well informed, even though I am a new patient. Has a very nice, clear, concise manner. I feel very confident in being under his care.

MAY 24 2021

The best!

MAY 24 2021

Dr. Kent Perry is fantastic. To treat my prostate cancer, he performed a minimally invasive and robotic radical prostatectomy. Thanks to Dr. Perry, I'm doing extremely well very soon after surgery and have an excellent prognosis. Dr. Perry has also done an outstanding job of explaining everything to me. I would give him my highest recommendation without reservation.

MAY 23 2021

Empathy, expertise and patience when explaining and answering questions

MAY 21 2021

My experience was good.
