MARCH 29 2022

Dr. Perry made us comfortable from the start. He was clear, concise and professional without being cold or "too busy". He was very present, which is crucial in my opinion when you've just learned you have cancer. We like that he has performed 1500 of these surgeries. His nurse was wonderful and gave us the

greatest nope when she said "this is about a cure." we have scheduled surgery for May.

MARCH 27 2022

Efficient, knowledgeable. He devotes time and not rushing to the next patient. Answers questions and is prepared for the visit.

MARCH 25 2022

The doctor and nurse were great about explaining different options depending on the outcome of my tests. I never felt rushed. I left each appointment feeling well-informed and optimistic. I highly recommend Dr. Perry and his entire staff. I trust them fully, and I'm looking forward to my future visits.

MARCH 25 2022

I just met him for the first time, but I was very pleased and hope my feelings continue.
