Reviews From Patients

201 Reviews

AUGUST 30 2021

Great communicator, experienced, and cutting edge care provided.

AUGUST 30 2021

She came highly recommended by my gynecologist.

AUGUST 17 2021

nice and knowledgeable but too soon to really take stock

AUGUST 13 2021

I feel that she knows what she's doing and I feel in good hands

AUGUST 11 2021

Nice

AUGUST 4 2021

Very patient and answered all my questions

AUGUST 2 2021

Professional, courteous care from her and staff.

AUGUST 2 2021

Dr. Kenton has a lot of experience in her field.

JULY 30 2021

I don't know enough, yet, because I have only had one telephone appointment. So far, I think it is a little hard to connect and the follow-up is lacking.

JULY 29 2021

This is hard to rate from a virtual conversation. I am not able to make an appointment. They will contact me.

JULY 28 2021

She was great!

JULY 28 2021

She gave me all the information & then left the decision up to me on how I wanted to move forward with treatment.

JULY 26 2021

I enjoyed meeting a doctor who was easy to talk with about health issues.

JULY 23 2021

Because people need doctor they can trust.

JULY 21 2021

It was so nice to meet her and she has a plan for my medical needs. I appreciate that.

JULY 21 2021

Professional questions, discussion, and different ideas to respond to the medical problem.

JULY 19 2021

She was calm, reassuring, pleasant and personable.

JULY 18 2021

She was engaging and very empathetic.

JULY 13 2021

I feel confident in her care.

JULY 12 2021

Personable, intelligent, skilled surgeon.

JULY 12 2021

She was referred to me by Stanley Friedell and that is the initial reason because he only refers the best doctor's. That said, she has a great bedside manner, relatable, has a great team.

JULY 8 2021

Seems very competent.

JULY 8 2021

She is knowledgeable, professional and available for questions.

JULY 8 2021

Very knowledgeable, and understanding

JULY 8 2021

She was personable and made me feel comfortable discussing this process and best of all providing a reason for adding a new medication to my treatment regimen. Thank you for taking the time to read the information I provided

JULY 7 2021

She was very thorough and professional, but also very personable. She answered all of my questions.

JUNE 24 2021

So happy I decided to get this surgery done. Haven't felt this good in years. Dr. Kenton is a very

skilled surgeon.

JUNE 23 2021

Very helpful and friendly and professional.

JUNE 21 2021

She's awesome

JUNE 16 2021

She is really down to earth and explains everything to you

JUNE 16 2021

Very thorough!!! Easy to talk with and she is genuinely concerned about patient issues. No hesitation about course of treatment.

JUNE 16 2021

I assigned #9 score reflecting Dr Kenton's actual medical response about me. My concern is about A LOT OF STATIC from Dr Kenton's telephone. All information exchanged successfully, but tele communication from Dr Kenton's office in Lake Forest sometimes difficult to understand through static. When a clinical team representative called less than 30 min later, NO STATIC INTERFERENCE.

JUNE 16 2021

Personalized care.

JUNE 15 2021

Good doctors know, good doctors. The same is true in other work environments.

JUNE 14 2021

Dr Kenton is a great doctor.

JUNE 14 2021

Her knowledge of the field is impressive; her capacity to communicate is effective and her sensitivity to patient needs is commendable.

JUNE 14 2021

Not sure yet... can't rate until she does procedure

JUNE 7 2021

I had a sense of practical, knowledgeable, and no bs - perfect for a doctor.

JUNE 7 2021

My televisit with her gave me confidence and peace of mind that her expertise and personality was what my family and I were looking for.

JUNE 7 2021

So far good let me get the help I am here for

JUNE 7 2021

Not much experience with her yet.

JUNE 7 2021

Super helpful, patient, caring & encouraging.

JUNE 7 2021

Easy to understand

MAY 27 2021

She is personable and knowledgeable. She communicates well

MAY 24 2021

The doctors and the nurse were very clear with the explanation of my medical problem and the procedure for inspection and treatments. They were sympathetic and respectful of my feelings.

MAY 24 2021

Very precise, understanding, and gave direction.

MAY 24 2021

Easy to understand and listens to concerns

MAY 21 2021

Patient, knowledgeable and caring

MAY 20 2021

Liked her energy and focus on the issue

MAY 19 2021

She is excellent in her field (Urogynecology & surgery) and she is also excellent in caring for the person. I received excellent & personal care from her.

MAY 10 2021

Dr Kenton is personable, listens to your concerns and truly wants to help you understand what I'd and will be happening in the future with surgery and the afters. Her team is great too

MAY 4 2021

Dr Kenton was knowledgeable and thorough, and answered my questions without rushing me. I'm encouraged by the options she has laid out.

MAY 3 2021

Also very efficient, organized, professional and friendly.

MAY 3 2021

Very personal

MAY 3 2021

MAY 5 2021

I almost don't want to recommend her though because it is already so hard to get an appointment with her. :). Hopefully I won't have to wait the full 3 months to see her in person.

APRIL 27 2021

After my surgery I am in great shape at 73! She is very skilled & great bedside manner!

APRIL 27 2021

To early to score higher

APRIL 26 2021

She's an excellent surgeon and will always find solutions for my concerns.

APRIL 26 2021

She listens

APRIL 26 2021

Dr Kenton took the time to answer all my questions and gave a clear and concise explanation for the numerous procedures. She gave very helpful guidance on a plan as we go forward with my treatment.

APRIL 26 2021

I have not had my procedure yet , so I don't have outcome yet , but she answered my questions , seems very confident . I'm not sure about the black motorcycle boots

APRIL 22 2021

Listened to my concerns and made plan of care that I am comfortable with

APRIL 16 2021

She was caring and was easy to understand

APRIL 12 2021

Very knowledgeable and completely upfront.

APRIL 12 2021

Understanding and reassuring

APRIL 12 2021

Very excellent and skilled surgeon, but I did not see or speak to her before or after surgery, which felt a little strange to me.

MARCH 29 2021

Great reputation, personable, takes her time with patients.

MARCH 29 2021

Haven't met her yet but from the televideo I liked her. She took the time to listen to me and explain the different options that I could choose.

MARCH 29 2021

Dr Kenton was easy to understand and was fully prepared having reviewed my forms prior to our telemedicine visit. Explained my choices that was easy to understand.

MARCH 29 2021

She is knowledgeable! During our short but rewarding conversation, she made me feel very comfortable

MARCH 28 2021

Excellent doctor, just very busy, so there may be longer wait times for appointments and follow-up.

MARCH 26 2021

The support and direction of medical care received from Dr Kenton's expertise is greatly appreciated!

MARCH 26 2021

To early to say

MARCH 23 2021

Dr. Kenton Has excellent credentials and also recommended to me. She truly was there to help me and not a case of just using up time.

MARCH 22 2021

Dr. Kenton seems very concerned with your care.

MARCH 17 2021

She's very easy to talk to and she listen to everything I said and gave me good feedback.

MARCH 16 2021

She is very knowledgeable, personable and I felt like she cared about my well being and my quality of life when providing and discussing my option treatment options.

MARCH 15 2021

Initial phase of treatment but like her very much. She explains her process thoroughly.

MARCH 12 2021

Very attentive. Explained everything. Took her time.

MARCH 11 2021

She and her staff of assistant physicians, fellows, nurse practioners and medical assistants and staff are highly competent. They treat me as a person and listen to my concerns. I believe they are the experts in the Urogynecology field in Chicagoland.

MARCH 11 2021

I saw Dr. Das only and did not have a chance to see Dr. Kenton. But Dr. Das answered all my questions.

MARCH 8 2021

Experience so far is very competent

MARCH 8 2021

Dr. Kenton was professional, knowledgeable & caring which clearly came through even on a tele-health visit. Dr. Kenton was interested in understanding what I wanted and then suggested next steps to achieve that.

MARCH 8 2021

The appointment felt rushed despite being told it would take an hour.

MARCH 8 2021

I was tense and after an examination done with gentleness and a consultation that answered all of my questions, I felt calm and knew I was in good hands.

FEBRUARY 26 2021

She's smart, thoughtful, asked me several times if I had any questions - I felt heard and seen as an individual.

FEBRUARY 22 2021

The Doctor seemed nice enough. But it was a 10 minute conversation with her giving her thoughts. Can't really gage at this point.

FEBRUARY 22 2021

She was easy to talk to and very knowledgeable

FEBRUARY 8 2021

Very personable and easy to talk with!

FEBRUARY 7 2021

I liked Dr Kenton, but I wished she would of told me she was not doing the procedure.....she did supervise it carefully

FEBRUARY 3 2021

Thorough, detailed and compassionate

JANUARY 29 2021

Good care

JANUARY 28 2021

She listens and answers all questions

JANUARY 28 2021

Dr Kenton put me at ease. I appreciate her expertise and care.

JANUARY 28 2021

Dr. Kenton made me feel comfortable in my decision to have my surgical procedure. She answered my questions and I did not feel rushed.

NOVEMBER 9 2020

This was only my first appointment and it was good but i don't have a lot to judge on

NOVEMBER 9 2020

I felt very at ease with her. She explained everything very well as to what we will pursue as a treatment after our next meeting.

NOVEMBER 9 2020

From my first call (last week) through today's television, everyone has been so helpful and courteous. My televisit with Dr. Kenton went very well and I look forward to seeing her soon in person.

NOVEMBER 8 2020

She shows Interest in my sickness

NOVEMBER 8 2020

Good service
