NOVEMBER 1 2019

My experience with the level of care and concern was outstanding.

NOVEMBER 1 2019

good

OCTOBER 28 2019

great !! no prob

OCTOBER 26 2019

I would recommend the Dr to come across more genuine and less arrogant .

OCTOBER 21 2019

As a highly educated individual, this provider was rather condescending, didn't really listen to current or past history before drawing conclusions. At one point, I had to ask him to stop projecting what he thought was my problem so I could discuss my history. He also suggested that past physicians that i had seen were not properly diagnosing me. The only reason I saw this ENT was because my other was out of network, but I will be returning to the previous ENT.

OCTOBER 20 2019

I will definitely see him again

OCTOBER 17 2019

Dr. Duyka is very detailed oriented and provided me with answers to all questions.

OCTOBER 14 2019

This doctor came highly recommended so I was quite disappointed in my appt. I felt that while he was VERY courteous and well mannered that I was rushed through my appt. This is the first time in many years, I just felt like a number by a physician.

SEPTEMBER 22 2019

Dr. Duyka and his assistant were very attentive to my needs.

SEPTEMBER 14 2019

Dr. Duyka and his staff were very personable and informative about my medical condition and concerns. I felt very comfortable with their approach and explanations of my care.

AUGUST 20 2019

Dr. Doyka was clearly very knowledgable but it felt like he didn't take any time to properly address my concerns. He was in and out of the room in under 5 minutes and I was still left with many questions. It felt like he just wanted to leave asap and move onto the next patient

AUGUST 12 2019

recommend Dr. Duyka all the time to others.

JULY 26 2019

APRIL 18 2019

Dr. Duyka really makes me feel like he cares and wants to work diligently to eliminate further issues for me. He seems personally vested in my continued health. He is patient and explains things thoroughly. He possesses all the qualities that I require in a physician.

APRIL 5 2019

Dr. Duyka was awesome. He answered all my questions and made me feel comfortable with the diagnosis prior to leaving. He listened to my questions and was able to make me feel comfortable with what needed to be done next. I was so impressed with the service I received after not having a great experience the previous appointment with the PA.

Definitely good care.

DECEMBER 1 2018

I look forward to seeing Dr. Duyka (which is odd to say because who looks forward to having someone look up your nose). He is one of the best doctors I've ever come across as far as knowledge of my specific issues, my comfort during visits, and the fact that my aftercare has been so successful since surgery vs. my experience with other ENTs.

NOVEMBER 30 2018

Dr. Duyka balanced tightly-efficient time-management with patience in addressing my questions and prescribing my new regimen.

A Very Professional Medical Provider

JULY 29 2018

Time spent with this provider about whom the survey is directed was too short to make a judgement.

JULY 2 2018

Dr Duyka is excellent!

JUNE 20 2018

experienced a simple problem. quickly identified and mild prescription resolved trouble quickly.

JUNE 19 2018

We saw another physician for a long time as a family (grandparents, parents, grandchildren) so to change to a new doctor was a little worrisome. But I was very happy with *Dr. D and all the time he spent with my child. He put her at ease!

JUNE 12 2018

Dr Duyka seemed uninterested in my issue for the most part. He seemed most interested in blaming me for not coming in sooner. I felt like I was an annoyance to him. I thought he was almost entirely lacking in compassion and in fact I found him to be abrasive.

JUNE 5 2018

the least friendly care provider I have ever had. I could tell he did not care at all about me and wanted to be somewhere else. will not be returning

MAY 27 2018

very professional and friendly already referred him to ten people

MAY 23 2018

He is a great doctor really cares actually talks to you and takes the time necessary

MAY 5 2018

competent, but a bit dismissive

APRIL 23 2018

Dr Duyka is wonderful he always answers all of my questions and I never feel like he is rushing to see another patient. He takes the time to explain any questions I have and works with my other Drs as needed.
