MARCH 24 2022

Dr. Manrique listened intently to my symptoms and quickly prescribed a course of action. I feel confident in his treatment plan.

MARCH 22 2022

Great bedside manner. Explains issues succinctly!

MARCH 17 2022

Dr. Manrique diagnosed my toe infection. From the MRI and the blood tests he had taken throughout this process, he was able to determine that the I-V antibiotic and care was showing a major improvement to healing my toe.

FEBRUARY 12 2021

Luis A. Manrique, MD has a pleasant bedside manner. Listened and addressed my health issues head-on, Dr Manrique looked at my records from my previous two Infectious Disease doctors. He has enlightened me on the cause and effects of inflammation in terms of my specific condition. Dr. Manrique has a plan of action and which we are implementing it. I'm convinced he is the right infectious disease doctor for me.

Excellent bedside manner. Was able to thankfully figure out quickly what was wrong and develop a treatment plan to fix it.

OCTOBER 22 2020

I've worked in healthcare for over 15 years, so I am able to recognize employees that go the extra mile. Your office member Gia went above and beyond to schedule me quickly for an appointment and work with my unusual circumstances. She was polite, kind, and very understanding. I am so appreciative of how she was able to help me! The office was clean and I felt safe in the office, especially with the entire Covid situation happening.
