MARCH 22 2022

Has knowledge about my problem and treatment. Very concerned about my well being.

JANUARY 11 2022

Dr. Marc Slutzy is a great doctor he knows how to make me feel comfortable before,during,and after my visit with him I have a fear of doctors, but with him I don't. He also explains everything I need to know so that I can understand.

DECEMBER 11 2021

Dr. Slutzky is a great listener, he spends a good amount of time with you if you need it and works hard at making sure you receive the medications you need.

DECEMBER 7 2021

Very Thorough and a nice guy

DECEMBER 5 2021

I liked his concern for my health and being thorough with my care.

NOVEMBER 20 2021

Very nice man. He is very knowledgeable and easy to speak with.

NOVEMBER 2 2021

He is a doctor that can be trusted

OCTOBER 27 2021

Dr. Slutzky was very professional and thorough; asked me lots of questions and seemed genuinely interested in evaluating my symptoms and explaining his analysis. He put me at ease.

OCTOBER 23 2021

Doc was thorough, explained exams and medications. Offered alternative non medical suggestions

SEPTEMBER 28 2021

Very knowledgeable

SEPTEMBER 21 2021

He was very patient and listened with concern for the reason of my visit

Very nice, personable and thorough

MAY 18 2021

Excellent care!

MARCH 30 2021

.. . . .

Very knowledgeable

MARCH 20 2021

Best Doctor

MARCH 16 2021

He gave me good care 3 years ago, and today took the time to review notes from my current neurologist (at the Gardner Neuroscience Institute) and evaluate my condition.

MARCH 9 2021

Very knowledgeable

JANUARY 30 2021

Dr. Slutzky is very knowledgeable and caring. I feel that he listens to and addresses my health concerns in a very detailed manner that reassures me that my condition will be fine. His staff are also very kind and helpful.

DECEMBER 29 2020

I've been trying to get this pain under control for years and I finally feel seen. Dr. Slutzky took the time to figure out what might possibly help me manage my pain rather than recommending ibuprofen.

DECEMBER 22 2020

Excellent knowledge and very caring

DECEMBER 15 2020

It is 20 minutes after my phone appointment, I have called both 2 minutes before and 15 minutes after apt. Time and no one has called me back about continuing appointment. If it is cancelled because they don't respond to this predicament, I will be upset.

DECEMBER 8 2020

Because he is very hands on to explain everything what is going on with me. Telling me how to take the medication

OCTOBER 27 2020

Dr. Slutzky and his associates are really nice, thorough, and patient. He is very knowledgeable, explained the science behind my symptoms to me and gave me really practical advice.

OCTOBER 24 2020

Dr. Slutzky has been a very kind, intelligent and easy to approach with any of my concerns.

OCTOBER 24 2020

This department has always tried to help me. The doctor and staff have been easy to approach and discuss my problems.

OCTOBER 20 2020

Thoughtful doctor

OCTOBER 20 2020

Very thorough visit

OCTOBER 20 2020

He has always been a great doctor. He's respectful, helpful, patient, and very kind. He listens to me when I need to be heard,he explains and answers any questions I have

OCTOBER 20 2020

Receive the best service everyone is kind and patient with me

OCTOBER 6 2020

Could go to a 10. His care plan was very reasonable, not overly into medication, and cost conscious.

OCTOBER 6 2020

1st Appointment. Doctor was very affable. It was for migraines and he has had migraines. You have no idea what a plus this is.

SEPTEMBER 22 2020

He is very good in his field and answered all of my questions. He took his time with me. The only reason I did not give him a higher score is because this is my first appointment with him and I don't know him well.

SEPTEMBER 22 2020

Doctors are excellent. Affiliation with NMH.

SEPTEMBER 15 2020

Overall, the experience was nice. The bedside manner could be better. It would've been nice to receive more empathy, compassion & engagement from the nurse who took vitals & the resident when learning about what brought me in. However, I appreciate the thoroughness from the resident & Dr. Slutzky in regards to purpose of the visit. They were direct & I like the precautions taken.

AUGUST 29 2020

This doctor take cares very well for his patients and are lovely with a lots of attention and trying to help me and make me feel good . I'm so happy to have a great doctor!!!

AUGUST 27 2020

Listened, was very knowledgable, friendly and interested in getting to the cause of my symptoms.

AUGUST 8 2020

He's a great listener and explains answer's the way you can understand them.

JULY 28 2020

Knowledgeable, personable.

JUNE 9 2020

He was very informative and explanatory about the medication he was prescribing in what a migraine is and how migraine works and why. He explained how the medication he was going to prescribe for me

would work and how it works and what it does and if not then we would see what medication we can try next.
